# TED THOMPSON

# 1953-2021

Served as the Packers' executive vice president, general manager and director for football operations for 13 seasons (2005-17), a tenure that was highlighted by a victory in Super Bowl XLV, four trips to the NFC Championship Game and six NFC North titles, including a franchise-record four consecutive division crowns from 2011-14.

Helped Green Bay make nine playoff appearances in his 13 seasons as GM, tied for the most in the NFC over that span, including a streak of eight in a row (2009-16) that set a franchise record and ranks tied for No. 4 in league history.

During his tenure, Green Bay registered eight seasons with 10-plus victories and an NFC-best regular-season record of 125-82-1 (.603).

Of the 53 players on the Packers' Super Bowl XLV championship roster, 49 were acquired by Thompson via the draft, free agency, trades or the waiver wire.

During his time in Green Bay, his acquisitions included three-time NFL Most Valuable Player Aaron Rodgers, 2009 Defensive Player of the Year Charles Woodson, six-time Pro Bowler and franchise sack leader Clay Matthews, five-time All-Pro David Bakhtiari, and Davante Adams, who holds single-season team records for receptions and receiving TDs (tied).

From 2005-17, drafted 20 players that went on to be selected to at least one Pro Bowl, tied for the second most in the NFL over that span behind only Baltimore (21).

Was named NFL Executive of the Year in 2007 and 2011 by *Sporting News* in a vote of his peers.

SHAREHOLDERS ■ The Green Bay Packers have been a publicly owned, nonprofit corporation since 1923. They were first organized as the Green Bay Football Corp., and then reorganized in 1935 as Green Bay

■ There are approximately 5,009,479 shares owned by 361,362 stockholders - none of whom receives any dividend on the initial investment.

■ The corporation is governed by a board of directors and a seven-member executive committee.

- One of the more remarkable business stories in American history, the team is kept viable by its shareholders - its unselfish fans. Even more incredible, the Packers have survived during the current era, permeated by free agency and the NFL salary cap. And, thanks in large part to Brown County's passage of the 2000 Lambeau Field referendum, the club will remain solvent and highly competitive well into the future due to its redeveloped stadium.
- Fans have supported the team financially on several occasions, including five stock sales: 1923, 1935, 1950, 1997 and 2011.
- To protect against someone taking control of the team, the articles of incorporation prohibit any person from owning more than 200,000 shares.

The team wishes to thank the following for their invaluable help in producing this guide: the entire staff at Elias Sports Bureau (including Seymour Siwoff, Steve Hirdt, Santo Labombarda, Alex Stern, Peter Hirdt, Chris Thorn, Frank Labombarda, John Labombarda, Kevin Hines, Ken Hirdt, Tom Hirdt, Randy Robles, Bob Rosen, Rob Tracy, Bob Waterman, Matt Martingale, Todd Betzag, Sal D'Agostino, John Carson, Chris Slowik, Dan Hopard, Dennis Hirdt, John McCarthy, Ben Rosenberg and Jennifer Giacona); Sportradar; STATS LLC; pro-football-reference.com; Brown County Library (Mary Jane Herber); Jostens Corporation (Ken Westland & Bob Skoronski); the NFL communications department (including Mike Signora, Zak Gilbert and Sam Drexler); Paul Spinelli; NFL player personnel (Joel Bussert); NFL Films; the Pro Football Hall of Fame (Pete Fierle and Saleem Choudhry); the Packers Hall of Fame (Tom Murphy); Z.D. Studios (including Jason Albert); CoSIDA and the sports information departments at its member schools; colleagues at other NFL teams; and Press Pass Ink (Shirley Cleereman).

Most of the historical data covering the Packers' first 50 years from 1919 to 1968 was taken from the team's official records; Packers press books and press guides dating to the early 1930s; interviews with former players, staff members and fans dating to the 1920s; the Brown County Library's local history department; and the pages of the Green Bay Press-Gazette. George Whitney Calhoun, co-founder of the Packers, worked for the paper for 40 years as a telegraph editor, city editor and sports editor and continued to write columns in retirement about Packers history until his death in 1963. For nearly 30 years, from 1919 to 1947, Calhoun also doubled as the Packers' publicist. In addition, he was the team's secretary for nearly 20 years and a member of its board of directors for nearly 35 years.

Additional historical input was derived from the writings of Val Schneider, Art Bystrom, John Walter, Art Daley and Lee Remmel of the Green Bay Press-Gazette and Bud Lea and several others from the Milwaukee Sentinel and The Milwaukee Journal.

The following books also were used as sources: the annual NFL Record & Fact Book, Total Packers, Total Football II, the NFL Encyclopedia and The Packer Legend by John Torinus. Other valuable information was gleaned from Ron Wolf, Eric Goska, John Maxymuk, Rick Gosselin, David Dolan, Guy Hankel, Joe Cronin, and John Karll and family

**President & Chief Executive Officer** 

Mark Murphy, possessor of extensive experience in professional football and sports administration, is in his 14th year as the

Packers' President and CEO.

Under Murphy's guidance, the organization continues to rank as one of the NFL's premier franchises, with highly successful operations both on and off the field. On the field, the team has compiled a 143-83-2 overall record (.632), made 10 playoff trips, including a team-record eight straight (2009 to 2016), advanced to five NFC Championship games and earned a victory in Super Bowl XLV. Off the field, the club continues to perform well in its business efforts, which allows the organization to support football operations. The fan experience at Lambeau Field, a top priority for the organization, continues to be ranked among the best in sports.

It was a direction both Murphy and the organization envisioned when Murphy was elected by the Packers' Board of Directors as the franchise's 10th Chief Executive Officer on Dec. 3, 2007. He began his work with the organization as president-elect on Jan. 1, 2008, and then formally took over on Jan. 28, 2008.

"I am honored to have been selected and very appreciative of this tremendous opportunity," Murphy said the day of his election. "The Packers are one of the great franchises in all of professional sports, with a rich history and incredible fan support. These are successful times for the Packers. On the field they're performing well, and off the field, they're in great shape, too. I look forward to being a part of that continued success."

Murphy, who holds a law degree and an MBA in finance, brought a unique and highly qualified background to his role as head of one of the NFL's flagship franchises, first drawing from a deep understanding and appreciation of the game that comes from an eight-year playing career with the Washington Football Team. Later, he served a combined 16 years as director of athletics at Colgate University and Northwestern University, and was an assistant executive director of the NFL Players Association and a trial attorney with the U.S. Department of Justice.

In addition to his playing career and work with the NFL Players Association, Murphy had maintained his ties to the NFL through his work on the Commissioner's Player Advisory Committee (1994-2002) as well as the NFL Youth Football Committee (2002-2011). Additionally, his NFL experience includes Super Bowl wins as a player (XVII, 1982) and as a CEO (XLV, 2010), believed to be the first such achievement in league history.

NFL commissioner Roger Goodell, recognizing the unique experience and skills Murphy brought to the NFL as the Packers' CEO, in 2008 appointed him to the NFL's Management Council Executive Committee, the NFL owners' committee whose responsibility was to serve as the bargaining team during negotiations with the NFL Players Association which resulted in a 10-year Collective Bargaining Agreement in 2011, and a new CBA in 2020 that extends through the 2030 season. The position has afforded Murphy the opportunity to regularly contribute at the league level, ensuring the organization has a voice in NFL matters.

"Mark's rare blend of experiences makes him integral to the future of the Packers and the NFL," said Goodell when appointing Murphy. "His accomplishments as an NFL player, his work with the NFLPA, and now his leadership of the Packers, provide a unique perspective to the league and also to the players. He's very effective in discussions with NFLPA executives. Mark is a bright and thoughtful individual who understands what needs to get done to create a system that benefits all sides for years to come. He is very reasonable

and wants what's best for fans, the game and players, as we all do."

In 2012, Goodell added to Murphy's NFL-level involvement by naming him to the important Competition Committee, the group composed of team executives and coaches that studies all aspects of the game and recommends rules and policy changes to NFL clubs. Goodell also placed Murphy on the NFL owners' Health and Safety Committee and the College Relations Committee.

Upon joining the Packers, Murphy broadened his knowledge of the franchise, its operations and its standing in the community by meeting with employees, shareholders, fans and members of the Board of Directors, as well as many community groups.

Among his first initiatives was to update the organization's strategic plan, a process involving all the leadership positions of the organization, including the Executive Committee and football operations. The process created core objectives to serve as a backdrop for all key business decisions. In a move to enhance those objectives, Murphy restructured the management of the organization, which included creating a new senior-leadership staff overseeing administration and finance, communications, football operations, human resources, legal, marketing and fan engagement, and sales and corporate partnerships. The structure reflects the growth the organization has experienced in recent years and gives broader coverage across all operations with more people involved on a senior-management level. Likewise in 2018. Murphy restructured the football operation with the head coach, general manager and executive vice president/director of football operations reporting to the president and CEO, a move that has improved communication and collaboration.

Murphy also is directing the organization's master plan involving Lambeau Field, the Lambeau Field Atrium, the practice facilities, and property the organization owns adjacent to the stadium. Lambeau Field and the Atrium underwent a \$312 million, five-year expansion and renovation (2011-15) that included a new distributed-audio sound system (2011), two new HD video boards and the new Bellin Health Gate on the north end of the stadium (2012), 7,000 additional seats in the south end zone served by the South Gate (2013), a larger Oneida Nation Gate and new football facilities (2013), the American Family Insurance Gate, a redeveloped Harlan Plaza and new Packers Pro Shop (2014), and a new Packers Hall of Fame and restaurant, 1919 Kitchen & Tap (2015). Additionally, a two-year, \$55 million project to renovate Lambeau Field's suites and club seats was completed in 2017. Currently, the club is in a multi-year project to upgrade the stadium's concourses, which include renovated concessions and enhanced sound systems.

To support the Lambeau Field project, Murphy directed the Packers' fifth stock sale, an effort that netted the organization more than \$64 million. More than 268,000 shares were sold during the offering, from Dec. 6, 2011, through Feb. 29, 2012, with more than 250,000 new shareholders joining the Packers' ownership. All stadium improvements were financed without public tax money.

To the west of Lambeau Field, Titletown has dramatically taken shape over the last couple of years. The 45-acre mixedused real-estate development that was announced in 2015 is building upon the success of the renovated Lambeau Field and complements the vibrant business and hospitality clusters in the area that have experienced enhancement in recent years. Titletown has become a destination for visitors and residents alike with its public park and plaza a hub of activity year-round, including snow-tubing lanes on Ariens Hill and an ice-skating rink and trail in the winter. Lodge Kohler, a four-diamond hotel; Bellin Health Titletown Sports Medicine & Orthopedics; and Hinterland Restaurant and Brewery have been successful anchor tenants. Opening in 2019 was TitletownTech, a joint venture between the Packers and Microsoft aimed at driving regional economic growth and job creation by helping businesses transform their operations through technology and digital innovation. The TitletownTech building also houses additional entertainment and commercial properties, including an "eatertainment" concept - The Turn powered by Topgolf Suites – and an experiential Associated Bank branch. Titletown also features townhomes, an apartment building and a fivestory office building, with both residents and workers now enjoying the ability to live, work, play and create.

Among the other initiatives Murphy has directed are the enhancement of the organization's retail operations, including the purchase of a new distribution center for the Packers Pro Shop, and the establishment of a customer relationship management (CRM) program, with both efforts upgrading customer service to Packers fans.

Murphy also has worked to increase the number of outside events utilizing Lambeau Field, including Kenny Chesney concerts in 2011 and 2015, a Billy Joel concert in 2017, a Paul McCartney concert in 2019 and LZ Lambeau in May

2010, a welcome back for Wisconsin Vietnam veterans. In September 2016, the Lambeau Field College Classic, presented by Carmex, saw the LSU Tigers play the Wisconsin Badgers in the stadium's first college football game since 1981. Wisconsin is scheduled to return to Lambeau Field on Sept. 5, 2026, to face Notre Dame, a date that had to be rescheduled from 2020 due to COVID-19. Lambeau Field also is bidding to host the NFL Draft and the Big Ten Conference Championship Game. Additionally, Murphy has ensured the organization remains a strong community partner, with a charity impact of over \$9 million in the past year.

Inside the organization, Murphy continues to grow and develop the team's human resources, with new programs addressing diversity, equity and inclusion and leadership development.

The 66-year-old Murphy joined the Packers after 4½ years (2003-07) as director of athletics at Northwestern University. At the Big Ten Conference school, Murphy oversaw a 19-sport program with a \$40 million budget and 160 fulltime employees. During his tenure, the school won eight individual national championships and three NCAA team titles. Additionally, the university won nine conference team championships and 34 individual Big Ten titles. A total of 49 Wildcats earned first-team All-America distinction. On the football field, the Wildcats participated in two bowl games during Murphy's tenure after playing in just four previous contests in the program's history. In 2006-07, Northwestern finished 30th in the U.S. Sports Academy Directors' Cup standings with a school-best 626.5 points. The Wildcats ranked among the top 30 in the standings for the last three years of Murphy's tenure and in 2007 finished sixth among Big Ten schools for the third straight year after previously not placing higher than ninth.

The school's athletic success under Murphy was achieved while its student-athletes continued to excel off the field. The NCAA Graduation Success Rate (GSR) data released in October 2007 reported Northwestern's rate at 98 percent, tying it with Notre Dame and Navy for No. 1 in the nation.

Prior to his tenure at Northwestern, Murphy served as director of athletics at Colgate University in Hamiliton, N.Y. (1992-2003), the school from which he graduated in 1977. During his 11 years at the helm, the university experienced a renaissance of its football program, going from 0-11 in 1995 to three consecutive appearances in the NCAA Division I-AA playoffs. In 2003, the year after Murphy's departure to Northwestern, the team made it to the championship game; the achievement of that squad – a non-scholarship program – remains one of Murphy's proudest moments.

Colgate's other teams experienced success as well, with men's basketball, women's soccer, women's volleyball, women's softball and men's ice hockey teams making NCAA tournament appearances. The school also achieved graduation rates among the highest for student-athletes in Division I during Murphy's tenure. A proud alumnus, Murphy had the honor of delivering the address for the university's 2012 graduation ceremony.

<sup>2</sup>Olejniczak was officially elected president April 28, 1958.

<sup>5</sup>Murphy was named Dec. 3, 2007. He assumed the duties Jan. 28, 2008.

Murphy enjoyed an eight-year career (1977-84) after originally signing with the team as an undrafted free agent in 1977. He was a co-captain from 1980-84, a period that included two Super Bowl teams (1982-83). He enjoyed his finest season in 1983, leading the NFL with nine interceptions and earning consensus All-Pro honors as well as a trip to the Pro Bowl. Murphy was named as one of Washingtons "70 Greatest Players," as well as one of the team's 80 greatest players, and also is a member of the club's 50th Anniversary Team.

Joe Gibbs, the Hall of Fame former coach of Washington who led the team during Murphy's 1981-84 seasons, was appreciative of the player's contributions and lauded the Packers' hiring of Murphy.

"Mark meant a lot to the organization the years he was here and played," Gibbs said. "He was a great person along with being one of the brightest and most competitive people we've had here."

Gibbs had an influence on Murphy as well, as the Packers' CEO attributes much of his leadership style to what he learned from the successful Washington coach.

"He had many leadership traits that I admired and tried to incorporate into my own leadership style," said Murphy. "He had a very natural way about him with the way he related to people, and he tried to be accessible. He was a very effective communicator, too, as most great leaders are. And when he worked with you, he was very fair and sincere. All those skills and traits fueled his awesome ability to motivate his teams."

A natural leader among his teammates, Murphy served as Washington's player representative to the NFL Players Association from 1980-84, including the position of vice president of the players union (1983-84). While a representative, he served on the players' bargaining committee during the 1982 players' strike. Those experiences have served him well in his role on the NFL's Management Council Executive Committee.

During his days with Washington, Murphy earned an MBA in finance from American University in Washington, D.C., attending classes full time in the offseason and evening classes in-season. Upon completion of his playing career in 1985, he joined the NFL Players Association as assistant executive director. While with the NFLPA, Murphy served on the bargaining team, including during the 1987 players' strike, developed the agent-certification system and strengthened the PA's degree-completion and career-counseling programs.

While with the NFLPA, he started work on a law degree from Georgetown University and ultimately finished his studies full-time after leaving the Players Association. Upon receiving his law degree in 1988, he worked at a Washington, D.C., law firm (Bredhoff and Kaiser) before becoming a trial attorney with the U.S. Department of Justice in 1989.

During a four-year career with the Department of Justice, he primarily represented government agencies in trials. Then, in 1992, his alma mater called and he returned to the sports realm.

At ease in public settings and with the media, Murphy enjoyed hosting a weekly radio show during his playing days and later became a sports commentator for National Public Radio (1983-92) and the Anheuser-Busch Radio Network (1986-88), offering his insights into football and sports-related legal issues in general.

Born in Fulton, N.Y., Murphy spent some of his formative years in the Houston area before moving back to the Buffaloarea community of Clarence. He was a three-sport star (football, baseball and basketball) at Clarence Central High School and was named the best all-around athlete in western New York during his senior year. His baseball talents drew attention from major-league scouts. In 2002, he was inducted into the Greater Buffalo Sports Hall of Fame in recognition of his achievements both on and off the field. In February 2016, Murphy returned to Clarence Central High School to present a golden football as part of the NFL's 50th Super Bowl celebration.

Murphy and his wife, Laurie, who also is a Colgate gradu-

ate, have been involved in the communities in which they've lived. Over the years, the couple has donated their time to numerous organizations, including local schools, the United Methodist Church in Hamilton, N.Y., and the First Congregational Church of Evanston, Ill. Also, while in Chicago, Murphy served on the bid committee for the 2016 Olympics, which eventually were awarded to Rio de Janeiro, Brazil. While at Colgate University, Murphy formed the Hamilton Youth Basketball League and served as its commissioner. Heavily involved in the community while with Washington, Murphy was named the team's "Miller Man of the Year" in 1984 in honor of his work off the field.

In Green Bay, Murphy continues a busy schedule of meeting with fans and shareholders, as well as speaking to a variety of business and community groups. He also has given his time to several community organizations to help their causes, including Big Brothers Big Sisters. Murphy also serves on the University of Wisconsin-Green Bay's council of trustees and co-chaired the school's most recent capital campaign. Additionally, Murphy serves on the advisory board of the Positive Coaching Alliance, an organization created to transform the culture of youth sports to give all young athletes the opportunity for a positive, character-building experience, as well as on USA Football's board of directors. In 2021, Murphy was the recipient of the Rotary Club of Green Bay's Free Enterprise Award in recognition of his leadership of the Packers' significant business growth and positive community impact.

Mark and Laurie are active supporters of foster-care services in Brown County and have had the pleasure of serving as foster parents in the community. Laurie recently helped establish the JAS (Journey to Adult Success) House in down-town Green Bay for teenagers who age out of foster care. She is also involved in a number of national and local organizations whose missions support hunger relief, as well as housing and education for underserved populations. In addition, Laurie established "Ladies of Lambeau," an inclusive group of women who are associated with the Green Bay Packers. The group hosts an annual hands-on event at Lambeau Field which benefits a variety of nonprofit organizations.

Mark and Laurie have four adult children: Katie, a graduate of Harvard who played basketball for the Crimson and lives in Chicago with her husband, Eugene Kornel, son, Richard, and daughter, Isabelle, and works at Linden Capital Partners; Emily, a graduate of Middlebury (Vt.) College with a degree in Chinese and a master's in social work from the University of Michigan who lives with her husband, Robert Kraynak, and daughters, Louise, Dorothy and Willa, in Door County; Brian, a graduate of Amherst (Mass.) College who played football for the Lord Jeffs and now lives in Austin, Texas, where he earned an MBA at the University of Texas and now owns and operates Ranch Rider Spirits Co., and is engaged to be married in September to Hayley Koester; and Anna, a graduate of Northwestern University who recently earned her MBA from Kellogg and is now a leadership coach in Chicago.

Away from work, Mark enjoys playing golf, fishing and participating in various forms of exercise, including bicycling, cross-country skiing and walking.

his position on Jan. 8, 2018. During his time with the club, he has helped lead the Packers to 15 playoff appearances, 11 division titles, six appearances in the NFC Championship Game and a Super Bowl title (XLV).

In his three seasons leading the Packers' personnel department, Gutekunst (GOO-tuh-kunst) has maintained an aggressive approach to building the roster, leading to immediate results the past two seasons. For the second consecutive season in 2020, Green Bay posted a 13-3 record and captured the NFC North crown while also earning the No. 1 seed in the NFC for the first time since 2011. It was just the second time in team history that the Packers won 13-plus games in back-to-back seasons (13-3 in 1996 and 1997). His roster additions helped lead the Packers' 13-win improvement over Green Bay's previous two seasons (13 wins in 2017-18), the biggest two-season win improvement in franchise history, eclipsing the previous mark in 1959-60 (15 victories after the Packers won four games in 1957-58).

Over his three seasons constructing the roster, Gutekunst has signed or drafted six players that earned *The Associated Press* All-Pro honors, were named to the Pro Bowl or were selected as Pro Bowl alternates. His first pick as Packers general manager, CB Jaire Alexander, earned a spot on the All-Rookie team in 2018 and in 2020 he was named to the Pro Bowl while also earning second-team All-Pro honors from *AP*. Drafted by Gutekunst in 2019, G Elgton Jenkins also garnered All-Rookie team honors and was named to the Pro Bowl in 2020.

Pro Bowl in 2020. Gutekunst's fourth draft in 2021 saw him make nine selections as he infused the roster with talent from major-college programs and addressed several needs. With the No. 29 pick in the first round, the Packers selected CB Eric Stokes, who appeared in 36 games with 25 starts during his three seasons at Georgia and posted 78 tackles (60 solo), a sack, four INTs, two INT returns for TDs, 26 passes defensed and a forced fumble. He started at CB in all nine regular-season games as a junior in 2020, earning first-team All-Southeastern Conference honors from AP after ranking tied for No. 2 in the conference and tied for No. 8 in the nation with four INTs. Stokes was also tied for No. 2 in the country in 2020 with two INT returns for TDs and was named to the preseason watch lists for the Bednarik Award (collegiate defensive player of the year) and the Bronko Nagurski Trophy (nation's top defensive player). In the second round, Gutekunst turned to offense and selected C/G Josh Myers, who played in 30 games in three years and started 21 of his final 22 contests at Ohio State. He was named first-team All-Big Ten by the coaches in 2020 and was a Rimington Trophy finalist, an award given to the nation's best center. Never afraid to move around in the draft, Gutekunst packaged third- (No. 92 overall) and fourth-round (No. 135 overall) picks to move up seven spots (No. 85 overall) in the third round to select Clemson WR Amari Rodgers. Rodgers finished his career at Clemson ranked No. 6 in school history in receptions (181) and No. 12 in receiving yards (2,144) and was one of only five players at Clemson from 2000-20 to record touchdowns by rush, reception and punt return in his career. He earned first-team All-Atlantic Coast Conference honors as a senior in 2020 after recording career highs in receptions (77), receiving yards (1,020) and receiving TDs (seven).

For the third time in as many drafts, Gutekunst made a first-round trade in 2020, swapping pick No. 30 and a fourth-

round selection (No. 136) for the Miami Dolphins' pick at No. 26, and used that selection on Utah State QB Jordan Love. Love finished his career at Utah State ranked No. 2 in school history in passing yards (8,600), completions (689) and attempts (1,125), tied for No. 2 in TD passes (60) and No. 3 in completion percentage (61.2) despite playing just three seasons. He also set school career records for total offense (9,003 yards), 300-yard passing games (12) and completions of 80-plus yards (four). In the second round, Gutekunst fortified the Packers' backfield with the selection of Boston College RB AJ Dillon. A three-time All-ACC first-team selection, Dillon finished as the school's all-time leader in rushing yards (4,238), rushing TDs (38) and all-purpose yards (4,618). As a rookie, Dillon appeared in 11 games and had 242 rushing yards and two TDs on 46 carries (5.3 avg.) and added two receptions for 21 yards (10.5 avg.). He also played in both postseason contests. In Week 16 against the Titans, Dillon saw his most significant action as a pro and posted a career-best 124 yards rushing and a career-high two TDs on 21 carries (5.9 avg.). He became the first rookie in franchise history to rush for 120-plus yards and two TDs in a game.

A quartet of other 2020 draft selections also made strong impressions in their rookie seasons. TE Josiah Deguara (third round, Cincinnati) started the season opener in Minnesota

to become just the second rookie Green Bay TE since the 1970 AFL-NFL merger to start in Week 1 (Richard Rodgers, 2014). LB Kamal Martin (fifth round, Minnesota) played in 10 games with six starts, recording 23 tackles (17 solo), a sack and three tackles for a loss. G Jon Runyan (sixth round, Michigan) was the only Green Bay rookie to appear in every game, seeing time on offense and special teams, and also appeared in both postseason contests. S Vernon Scott (seventh round, TCU) played in 15 games and registered seven tackles (all solo), a sack, two tackles for a loss and six special teams tackles.

In his second offseason managing the Packers' roster in 2019, Gutekunst secured one the most successful free-agent classes in team history, signing four marquee players and immediate starters in LB Preston Smith, LB Za'Darius Smith, S Adrian Amos and G/T Billy Turner. The group has proved instrumental in the Packers' run to consecutive NFC North division titles and back-to-back appearances in the NFC Championship Game.

Preston Smith, originally a second-round pick of the Washington Football Team, came to Green Bay after four seasons (2015-18) with Washington. He was named a Pro Bowl alternate in 2019 after ranking No. 8 in the NFL with a career-best 12 sacks and finishing No. 2 on the team with 29 QB hits and 43 QB pressures. Za'Darius Smith, who was originally selected in the fourth round of the 2015 NFL Draft by the Baltimore Ravens, made his first career Pro Bowl in 2019 as an injury replacement and was again named to the Pro Bowl in 2020 while also earning second-team All-Pro honors from the AP. In 2019, he posted a career-best 78 tackles (44 solo), a career-high and team-leading 13½ sacks (No. 6 in the NFL and tied for No. 5 in a single season in team history), a team-best 51 QB hits and a team-high 65 QB pressures. His 26 sacks the past two seasons are the most by a Packer in his first two seasons with the team. Additionally, the Smiths became the first duo in NFL history to both register 12-plus sacks in their first season as teammates, the first tandem in team history (since 1982) to both register 12-plus sacks in the same season and only the second duo in Packers history (since 1982) to each have 10-plus sacks in a season (Reggie White with 13.0 and Bryce Paup with 11.0 in 1993).

Gutekunst entered the 2019 NFL Draft with 10 picks, including two first-round selections, and for the second consecutive draft maneuvered in the first round to get a player he wanted. At No. 12 overall, Gutekunst selected LB Rashan Gary out of the University of Michigan, who twice was honored as an All-Big Ten first-team selection (2017-18). Gutekunst then packaged the No. 30 pick with a pair of fourth-round selections in a trade with Seattle for the No. 21 overall pick that he used on University of Maryland S Darnell Savage. In his rookie campaign in 2019, Savage earned PFWA All-Rookie team honors after starting all 14 games he appeared in and recording 61 tackles (41 solo), a tackle for a loss, a team-high two forced fumbles, two interceptions (tied for No. 2 on the team), seven passes defensed, a QB hit and two QB pressures. He was the only NFL rookie to register multiple INTs and multiple forced fumbles in 2019 (according to Sportradar). Over the past two seasons, Savage has posted six INTs, tied for No. 6 among NFL safeties over that span, and according to stathead.com, the most by a Packers safety in their first two seasons since Tom Flynn (10) in 1984-85. In the second round, Gutekunst selected Jenkins out of Mississippi State, who played in all 16 games and started the final 14 contests of the season at left guard as a rookie in 2019. He was named to the PFWA All-Rookie team, only the second Packers guard to be selected since 1974 (Daryn Colledge, 2006). Jenkins put together an even more impressive second campaign in 2020 as he started all 16 games, opening 12 at LG, three at C and one at RT en route to his first Pro Bowl selection. He became just the third offensive lineman in franchise history to make the Pro Bowl within his first two seasons in the NFL (Derel Teteak,

1952 as a rookie; Charley Brock, 1940 in his second season). Jenkins saw action at four different spots on the line in 2020 (LT, LG, C, RT) and became the first Green Bay offensive lineman to start a game at guard, center and tackle in the same season since the 1970 AFL-NFL merger. He helped the Packers rank tied for No. 2 in the NFL in sacks allowed (21), the fourth fewest by Green Bay in a 16-game season.

Armed with a league-high 12 selections entering the 2018 NFL Draft, Gutekunst was active. The first round saw him trade the Packers' selection (No. 14) to New Orleans for the Saints' first-round pick (No. 27) and a fifth (No. 147) in 2018, and a first in 2019. Moments later, Gutekunst traded the No. 27 pick, a third (No. 76) and a sixth (No. 186) to Seattle for their first (No. 18) and a seventh (No. 248). With the 18th choice in the first round, Green Bay selected Alexander. In a matter of minutes, Gutekunst added one of the top cover corners to bolster the Packers' defense, while also keeping an eye on the future with the acquisition of an additional first-round pick. When the draft concluded, Gutekunst had added 11 players to the Packers' roster in his inaugural draft class.

His initial draft class provided the team with immediate returns as it accounted for 50 starts in 2018, the most by the Packers since 2006 (66 starts). Green Bay was one of only five teams in the league to have three rookies start 10-plus games (Alexander with 11; CB Josh Jackson and WR Marquez Valdes-Scantling with 10) in 2018 (Oakland had four, Cleveland, Indianapolis and the N.Y. Giants had three). Additionally, Alexander was named to the PFWA All-Rookie team, becoming just the second Packers CB to be honored since 1974 (Casey Hayward, 2012). In 2019, Alexander was named a Pro Bowl alternate after starting all 16 games and leading the team with a career-high 23 passes defensed.

"We could not be more excited to elevate Brian to the position of general manager," said team President and Chief Executive Officer Mark Murphy at the time of Gutekunst's promotion. "He has earned this opportunity throughout his 19 years with the Packers, proving to not only be a skilled talent evaluator, but a trusted and collaborative leader. His time under the direction of former Packers general managers Ron Wolf and Ted Thompson will undoubtedly serve him well as we work toward our next Super Bowl championship. I am confident that he is the man that will help get us there."

Prior to his promotion, Gutekunst served as Green Bay's director of player personnel (2016-17) and director of college scouting (2012-15) after spending his first 13 seasons with the club as a college scout. He served as an East Coast regional scout for his first two years (1999-2000) before switching to the Southeast region (2001-11).

Possessor of prior professional scouting and college coaching experience upon joining Green Bay on a full-time basis late in 1998, Gutekunst gained his first NFL experience in the summer of 1995 when he assisted the coaching staff of the New Orleans Saints with the offensive line during training camp. Gutekunst's initial exposure to the Packers came in the summer of 1997 when he worked as an intern in the team's scouting department.

His first full-time appointment in professional scouting was in 1998 as a scouting assistant for the Kansas City Chiefs. After one year with the Chiefs, Gutekunst returned to the Packers when he was named a college scout for the East Coast by Wolf on Dec. 30, 1998.

Gutekunst earlier had played two years of college football for the University of Wisconsin-La Crosse. He then became an assistant coach for the team during his final two years at the school (1995-96) after a shoulder injury cut short his playing career. Serving as a linebackers coach during the 1995 season, he helped the school to the Division III national championship as the Eagles finished with an unblemished record of 14-0. Gutekunst has a degree in sports management.

He and his wife, Jen, reside in Hobart with their daughters, Marley, 16, Joie, 15, and Kacey, 10, and son, Michael, 12.

Russ Ball, entering his 33rd season in the NFL, begins his 14th season in Green Bay and fourth as the organization's ex-

ecutive vice president/director of football operations after serving 10 seasons as vice president of football administration/player finance. During his time with the Packers, Ball has helped lead the team to 10 playoff appearances, seven NFC North crowns and a Super Bowl title (XLV).

Named to his current position on Jan. 8, 2018, Ball brings a vast array of experience to the Packers' front office and is highly involved in all team decisions both on and off the playing field. He is responsible for negotiating player contracts and managing the salary cap, in addition to the daily supervision of football-administration departments including equipment, video, logistics and team travel, corporate travel, player engagement, family programs and fields.

"Since joining the Packers in 2008, Russ has proven to be invaluable," said Mark Murphy, Packers President and Chief Executive Officer. "His salary-cap management and negotiating abilities are well known, but he has also provided tremendous leadership throughout football operations and served as a valuable liaison between the football and business sides of the organization. His diverse skills will remain important to our success moving forward."

Before coming to Green Bay, Ball spent six seasons (2002-07) with the New Orleans Saints, the final two as vice president of football administration and the first four as senior football administrator. His responsibilities with the Saints included monitoring the salary cap, contract negotiations and roster management, as well as maintaining the team's compliance with NFL and Management Council regulations. Ball also coordinated different areas of the football operations, and was involved in several other administrative functions with the club.

During his time in New Orleans, Ball also served in a similar capacity with the New Orleans VooDoo of the Arena Football League from 2004-07. He was selected by the Saints to attend the 2005 NFL Managers Program at Stanford University's Executive Education Graduate School of Business.

### **NICKNAME ORIGIN**

The nickname "Packers" appeared in print for the first time in the Aug. 13, 1919, edition of the Green Bay Press-Gazette. It was the first story written about Green Bay's newly formed football team, which held its organizational meeting two days earlier in the paper's editorial department.

The Indian Packing Co. was the team's sponsor, hence the *Press-Gazette's* Aug. 13 story referred to the team as both the "Packers" and the "Indians." On Aug. 15, the Press-Gazette used only the nickname "Packers," and that's who they've been ever since

It's uncertain who coined the nickname, but it almost certainly was one of two Press-Gazette staff members: Val Schneider. who was writing the paper's sports column at the time, or George Whitney Calhoun, city editor at the time and the football team's co-founder along with Curly Lambeau.

With Indian Packing as a sponsor in 1919 and 1920, and Acme Packing as the sponsor in 1921, the nickname was a natural. But the Packers were expelled from what is now the NFL in January 1922 for using three Notre Dame players in a non-league game

Green Bay was readmitted to the league six months later, but disavowed any connection to Acme Packing and stopped calling themselves the Packers. The Press-Gazette used Bays and Blues as alternatives, but fans and out-of-town writers resisted the change and the name Packers endured.

# HISTORY OF THE "G"

Before his third season as head coach and general manager of the Packers, Vince Lombardi elected to decorate the team's helmets with a logo that has become one of the most iconic in American sports. Lombardi decided to place a green and white "G" directly above the earholes of the team's mostly gold helmets.

Typical of the times and particularly Lombardi, no big deal was made of the unveiling, either beforehand or after. The "G" was introduced at an intrasquad game played Aug. 5, 1961, at old City Stadium. The game was played there because the field at the Packers' new stadium – now Lambeau Field – had been recently reseeded and wasn't ready for use.

It was understood at the time that the "G" stood for Green Bay and that hasn't changed. Lombardi settled on the "G" before he won his first NFL championship.

As can best be determined, the development and design of the "G" was carried out by a select few in addition to Lombardi: Gerald "Dad" Braisher, the Packers' equipment manager; John Gordon, a part-time assistant to Braisher and an art student at St. Norbert College; and workers at Romo Display Advertising Inc. of Green Bay.

It's uncertain who conceived the logo, but Lombardi and Braisher would have been the likely candidates. Gordon sketched it before Romo took his drawing and turned it into an artistic rendering. But, clearly, it never would have come to be without Lombardi's approval.

The original Packers "G" was shaped like a football, flattening gradually from its height toward the ends. The "G" has been slightly modified in the years since. Today, it is shaped more like an oval, measuring 3.125 inches at its tallest point and five inches at its widest point.

Vice President of Sales and Business Development

Craig Benzel, a 23-year member of the Packers' sales and marketing team, is in his eighth year as the Packers' vice presi-

dent of sales and business development.

Benzel, who was promoted to the position on May 12, 2014, oversees sales and business development, premium seating, ticketing, the Hall of Fame, stadium services and shareholder services.

In each of the six years from 2014-19, Benzel and his team helped the organization achieve record local revenues. He also oversaw the launch of a Milwaukee sales office, major renovations to the Lambeau Field suites, club and concourse areas and the addition of the Johnsonville Tailgate Village. Additionally, Benzel and his team restructured the Packers' media sales, service and operations, bringing those areas in-house to provide more exclusive Packers content to fans and better serve team partners.

Prior to his current role, Benzel had served the previous 12 years as director of marketing and corporate sales, a position in which he expanded the team's partnerships and added innovative new inventory in premium seating, among other accomplishments.

"Craig is a valuable member of our senior staff," Packers President and CEO Mark Murphy said. "His experience with the organization has served him well in his expanded role, particularly with our business partners, who are key to the success of the organization. Craig has shown great growth in his position as a vice president and will play an increasing role in the leadership of the organization."

### PACKERS HAVE DEMONSTRABLE ECONOMIC IMPACT ON THE COMMUNITY

The Packers are the only franchise in professional sports to be owned and sustained by their fans; the steadfast, unwavering support of the community has been fundamental to the Packers' success over the last century. In the same vein, it's clear the Packers have a quantifiable and tangible economic impact on the Greater Green Bay community, from tourism and taxes to job creation and wage generation.

A 2009 economic impact study commissioned by the Green Bay/Brown County Professional Football Stadium District demonstrated the effects of the Packers on the local economy. The study found that the total economic impact of the Packers and the renovated Lambeau Field on the community was an estimated \$281.5 million in 2009, which included the Packers' 10 home preseason and regular-season games that year (\$12.3 million each of those weekends). The South End, which opened in 2013, included the addition of approximately 7,000 new seats and now generates a spending impact of approximately \$11 million each year. Including the expansion, today's estimated annual economic impact is in excess of \$300 million.

Additionally, the Titletown development adjacent to Lambeau Field has helped generate further entertainment and tourism spending, as well as job creation, an economic impact that is expected to grow in future years as the development continues to expand.

**Vice President of Marketing and Fan Engagement**

### THE GREEN BAY PACKERS BRAND

Created in 2007, the Turnkey Team Brand Index serves as the first-ever brand report card of all professional sports teams throughout the four major sports.

It aims to better understand team brands, including their strengths and weaknesses as well as the attributes most closely associated with the team. Results are based upon fan polls in a team's home market.

After finishing 10th in 2007, the Green Bay Packers took the top overall spot in the 2008 standings, finishing ahead of the Boston Red Sox (second) and Pittsburgh Steelers (third). The Packers finished second in the out-of-market rankings behind the New York Yankees, indicating the strength of the Packers brand across the country.

Vice President of Human Resources

Promoted to her position on Jan. 21, 2014, Ledvina has been with the organization since 2003, most recently serving as the director of human resources.

"Nicole has been a great asset to the Packers during her time with the organization," Packers President and CEO Mark Murphy said. In Green Bay, where the local time is always 1963, the citizens worship their Packers with religious fervor, and Lambeau Field is their ageless cathedral. The benches are aluminum, the grass (when not iced over) is resplendent, and the fans are rabid but realistic without being rude. No wonder Packers players leap into the stands after scoring touchdowns. On a truly cold day you can feel the spirit of Vince Lombardi – even if you can't feel your toes.

### **MODIFIED SUDDEN-DEATH OVERTIME**

For the 2010 postseason, the NFL installed a modified suddendeath system to determine the winner when the score is tied at the end of regulation. In 2012, the system was expanded to cover all NFL games, including regular-season and preseason games.

Modified sudden death guarantees each team a possession or the opportunity to possess, unless the team that receives the opening kickoff scores a touchdown on its initial possession.

**Possession:** Actual possession of the ball with complete control. The defense gains possession when it catches, intercepts or recovers a loose ball.

Opportunity to possess: The opportunity to possess occurs only during kicking plays. A kickoff is an opportunity to possess for the receiving team. If the kicking team legally recovers the kick, the receiving team is considered to have had its opportunity. A punt or a field goal that crosses the line of scrimmage and is muffed by the receiving team is considered to be an opportunity to possess for the receivers. Normal touching rules by the kicking team apply.

### REGULAR SEASON

- At the end of regulation time, the Referee will immediately toss a coin at the center of the field in accordance with rules pertaining to the usual pregame toss. The captain of the visiting team will call the toss prior to the coin being flipped.

- Following a three-minute intermission after the end of the regulation game, there shall be a maximum of one 10-minute period. Each team must possess or have the opportunity to possess the ball unless the team that has the ball first scores a

touchdown on its initial possession. Play continues in sudden death until a winner is determined, and the game automatically ends upon any score (by safety, field goal or touchdown) or when a score is awarded by the Referee for a palpably unfair act. Each team shall be entitled to two timeouts, and if there is an excess timeout, the usual rules shall apply. A try is not attempted if a touchdown is scored. Disqualified players are not allowed to return.

 If the score is tied at the end of the 10-minute overtime period, the game shall result in a tie.

Prior to coming to Green Bay, Wojciechowski (pronounced woh-jih-cow-skee) spent the previous nine seasons (2003-11) as the Northeast area scout for the Dallas Cowboys.

He came to Dallas after working for the Jacksonville Jaguars for five seasons (1998-2002). During his first three seasons with Jacksonville, Wojciechowski worked as the team's Southeast regional scout for the BLESTO scouting organization. He was promoted to Midwest scout by the Jaguars in 2001.

Wojciechowski's first venture into the NFL player personnel field came with the Pittsburgh Steelers, where he served as a player personnel assistant for two seasons (1996-97). With the Steelers, he evaluated both college and pro players and did quality-control work for the special teams units.

Wojciechowski was a four-year starter at Duquesne at defensive end (1992-95) and a three-year tri-captain. As a senior in '95, he earned first-team All-Metro Atlantic Conference honors and first-team All-America honors from *Don Hansen's Football Gazette*. ### RON WOLF'S STAMP ON PACKERS HISTORY

Ron Wolf arrived in Green Bay on Nov. 27, 1991, with a mandate to rescue the Green and Gold from a quarter-century of mediocrity, an assignment which prompted him to assert, "I was brought here to win."

And win, in the decade to follow, the Packers did – in large part because of his leadership and the "cast" he assembled to execute one of the most electrifying turnarounds in NFL annals ... rewardingly punctuated by Green Bay's first Super Bowl victory in nearly three decades and back-to-back appearances in professional football's ultimate game.

During the history-making process, he made a more profound impact upon the Packers organization than anyone since the revered Vince Lombardi, who arrived in Green Bay with a similar mission 32 years earlier. Over Wolf's 1992-2000 tenure, the Packers compiled the NFL's second-best regular-season record, a 92-52 mark for a .639 percentage, recorded seven straight winning seasons and made six consecutive playoff appearances.

He converted the Green and Gold from perennial also-rans into consistent winners, exemplified by the fact the Packers are tied for the second-best regular-season won-lost record since the 1993 institution of free agency (271-159-2, .630).

Wolf's aggressive stewardship, launched with the hiring of 49ers offensive coordinator Mike Holmgren as head coach and the acquisition of Brett Favre as a franchise quarterback in 1992, is perhaps no better illustrated than by the Packers' immediate, 9-7 turnabout in 1992 – his first year on the job – after the team had been a dismal 4-12 in 1991 and 6-10 in 1990 ... a transformation which brought him recognition as NFL Executive of the Year by Sporting News.

Wolf, reflecting upon the overall record from his perspective on the day he announced his retirement, observed with pardonable satisfaction: "What people said couldn't happen here ... happened here (building a winner in Green Bay) ... I'm proud of that."

A statistical glance at some notable team figures, over the nine seasons before – and after – Wolf took control:

Sam Seale, a nine-year NFL veteran as a player, heads into his 26th season with the Packers and his fourth as a national

scout. Promoted to his current role on May 25, 2018, Seale spent the 2012-17 seasons as a West regional scout for the Packers.

In 2017, Seale was recognized as the NFC Scout of the Year at the Fritz Pollard Alliance Meeting, which took place during the NFL Scouting Combine.

Seale began his NFL playing career after being picked in the eighth round of the 1984 NFL Draft by the then-Los Angeles Raiders. After one year as a wide receiver (1984) and three seasons as a defensive back/kick returner (1985-87) for the Silver and Black, Seale headed south to play for the then-San Diego Chargers for the next four seasons (1988-91).

After becoming a full-time starter (at cornerback) for the first time in his pro career in 1989, Seale appeared in all 16 games for San Diego in both 1990 and '91. He then returned to the Los Angeles area in 1992 to play one additional season for the Raiders and appeared in one game with the Los Angeles Rams in 1993.

In 121 career games, Seale recorded 11 interceptions, returning one for a touchdown in 1985. He also scored once on a fumble recovery (in 1988 with San Diego).

A four-time letterman (1980-83) as a running back for Western State College (Colo.), Seale averaged 5.3 yards per carry as a collegian while leading the team twice in both rushing and receiving. He also earned NAIA All-America

## THE USS GREEN BAY

On July 15, 2006, the U.S. Navy christened a 684-foot warship, and dubbed it the USS Green Bay at a shipyard in the New Orleans area.

Constructed in Avondale, La., at a shipyard owned by Northrop Grumman, it is the second Navy vessel to be called the Green Bay, following a small gunboat that patrolled the seas during the Vietnam era.

The newest USS Green Bay, used to carry troops for rapid deployment, launch and recovery, has become a significant part of the U.S. amphibious fleet.

Former Green Bay Packers quarterback Bart Starr appeared in a video that was played at the July 2006 christening ceremony. And Nancy Croy, principal at Green Bay's Lombardi Middle School – named after Starr's legendary coach Vince Lombardi – traveled to attend the christening as part of the school's relationship with the Nav.

Members of the Packers' front office, including President and CEO Mark Murphy, toured the ship in November 2008

during the team's road trip to New Orleans for a game against the Saints.

Commissioned Jan. 24, 2009, it can carry 360 Navy sailors and as many as 800 Marines. The ship is assigned to the U.S. Pacific Fleet; its home port is at the naval base in San Diego, Calif.

# **GREEN BAY PACKERS, INC.**

The seven-member Executive Committee of the Green Bay Packers presently is composed of: (back row) Karl A. Schmidt, Member, Daniel T. Ariens, Secretary; Mark H. Murphy, President; Donald J. Long Jr., Member; Michael D. Simmer, Treasurer; (front row), Susan M. Finco, Vice President and Lead Director; and Marcia M. Anderson, Member.

Now in their 103rd season of existence and their 101th season in the National Football League, the Green Bay Packers are a team and an organization unique in both structure and accomplishment. They represent – from an organizational standpoint – the only publicly owned franchise in the 32-team NFL. On the field, they have won 13 NFL championships, more than any other franchise.

The Packers have been a community-owned team since 1923 when the Green Bay Football Corporation was founded. After it was forced into receivership in 1933, the franchise was reorganized in 1935 as Green Bay Packers, Inc., which is still operating today.

While the Packers still think of themselves as community-owned, their community has grown since 1923 to reflect their worldwide fan base. There are approximately 5,009,479 shares owned by 361,362 shareholders. A seven-member executive committee elected from a board of directors governs the corporation. The committee directs corporate management, approves major capital expenditures, establishes broad policy and monitors management's performance in conducting the business and affairs of the corporation.

# MATT LAFLEUR

**Head Coach** 

13th NFL Season // Third Season as Packers Head Coach

Entering his 13th season in the National Football League, Matt LaFleur (la-flew-er) enters his third season in Green Bay after

being named the Packers' 15th head coach on Jan. 8, 2019. In his first two seasons leading the Packers, LaFleur has authored one of the greatest starts to a head-coaching career in NFL history. For the second consecutive season in 2020, he led Green Bay to a 13-3 record and captured the NFC North crown while also earning the No. 1 seed in the NFC for the first time since 2011. It was just the second time in team history that the Packers had won 13-plus games in backto-back seasons (13-3 in 1996 and 1997). According to the Elias Sports Bureau, LaFleur was the sixth head coach since 1970 to lead his team to the conference championship game in both of his first two seasons as a head coach, joining Jim Harbaugh (2011-12), Rex Ryan (2009-10), Barry Switzer (1994- 95), George Seifert (1989-90) and Don McCafferty (1970-71). LaFleur became just the second NFL head coach since the league went to a divisional format in 1967 to win 13-plus games and a division title in both of his first two seasons, joining Seifert (1989-90).

LaFleur has also taken his place atop the Packers' record book as his 26 regular-season wins are the most by a Packers head coach in his first two seasons (Mike Sherman and Mike McCarthy, 21 each), and the 13-win improvement over Green Bay's previous two seasons (13 wins in 2017-18) marked the biggest two-season win improvement by a head coach in franchise history from the two seasons prior to him taking over, eclipsing the previous mark held by Vince Lombardi (15 victories in 1959-60 after the Packers won four games in 1957-58). LaFleur's 26 victories are also the second-most wins in NFL history by a coach in his first two seasons behind only Seifert (28 in 1989-90).

Green Bay's success under LaFleur has been highlighted by its domination of the NFC North. While capturing two division titles, LaFleur is 11-1 against NFC North opponents, a .917 winning percentage that is tied for the best two-season winning percentage in divisional games for the Packers dating back to 1967 (2011-12, 11-1, .917). His winning percentage against division opponents is also tied for the second best by a coach in his first two seasons, dating back to 1970 (Mike Tomlin, 11-1, .917 in 2007-08 / Steve Mariucci, 15-1, .938 in 1997-98). Additionally, Green Bay was undefeated in road division games in 2020, marking the second straight year it did not lose a road division game and just the eighth time since 1967.

Following a productive first season in 2019, Green Bay's offense exploded under LaFleur in 2020. The Packers led the NFL with 509 points, the second-highest total in team history (560 in 2011). Green Bay was the only team to rank in the top 10 in the NFL in all of the following categories: total yards per game (389.0, No. 5), yards per play (6.29, No. 3), passing yards per game (256.6, No. 9), passing yards per play (7.81, No. 2), rushing yards per game (132.4, No. 8) and rushing yards per carry (4.78, No. 7). Additionally, the Packers were the only NFL team to have three different players (WR Davante Adams-18, RB Aaron Jones-11, TE Robert Tonyan-11) with 10-plus TDs last season.

In their second season in LaFleur's offense in 2020, QB Aaron Rodgers and Adams turned in career-best performances. Rodgers was named the NFL's Most Valuable Player last season by *The Associated Press* and by the Pro Football Writers of America after leading the NFL with a 121.5 passer rating, the second-highest single-season mark by a quarter-back in NFL history, behind only his 122.5 rating in 2011. addition to leading the NFL in passer rating, Rodgers also led the league in passing TDs (team-record 48), completion percentage (team-record 70.7) and interception percentage (0.95), the first QB to lead the NFL in all four categories since Steve Young in 1992. Adams set the franchise record for receptions in a season with 115 and tied WR Sterling Sharpe

(1994) for the most receiving TDs in a season with 18 (tied for No. 3 in NFL history). Adams became the first player in NFL history to have 18-plus TD receptions and 100-plus catches in a season. Additionally, he led the NFL in receiving TDs, receiving yards per game and receptions per game in 2020, the first NFL player to lead the league in all three categories since Sharpe in 1992.

Several players have enjoyed individual success in LaF-leur's two years at the helm. Seven Packers have earned All-Pro or Pro Bowl honors the past two seasons. Adams, T David Bakhtiari, C Corey Linsley and Rodgers were named first-team All-Pro by *AP* while CB Jaire Alexander and LB Za'Darius Smith were named second-team All-Pro by *AP* in 2020. The Packers' four first-team selections were the most since 1967 (six). The Pro Bowl roster featured Adams, Alexander, Bakhtiari, G Eigton Jenkins, RB Aaron Jones, Rodgers and Smith. The Packers' seven selections tied for the most in the NFL in 2020 (Baltimore, Kansas City and Seattle), and were the most original selections for Green Bay since seven players were selected in 2011. Six of the players were named starters (all but Jones), giving Green Bay the most starter selections since it had eight in 1967.

Since his first day addressing the team, LaFleur has emphasized the importance of the ball, both protecting it on offense and taking it away on defense. After finishing No. 2 in the NFL in 2019 in giveaways with a franchise-record-tying 13, Green Bay set the team record and led the league in giveaways during the 2020 regular season with only 11. The Packers are 19-0 under LaFleur when winning the turnover margin, the most wins with no losses over a two-season span by an NFL team since the 2011-12 Packers (20-0). Green Bay finished the 2019 season tied for No. 3 in the NFL in turnover differential (plus-12) and tied for No. 7 in the league in 2020 (plus-7). The Packers' plus-19 turnover differential the last two seasons is No. 3 in the NFL over that span. On defense, the Packers were tied for No. 7 in the NFL with 25 takeaways and tied for No. 3 with 17 interceptions in 2019.

In LaFleur's first year leading the team in 2019, Green Bay finished the regular season with a 13-3 record on its way to an NFC North crown and the No. 2 seed in the NFC as he became just the fifth coach in league history to win 13-plus games in his first season as a head coach. He guided the Packers to their biggest one-year win improvement in club history (plus-seven wins) and became the first head coach to lead Green Bay to the playoffs in his first season. LaFleur joined McCarthy as the only head coaches in club annals to lead the team to the NFC Championship Game in their first playoff appearance, and he became the first NFL coach to do so since Harbaugh led the 49ers to the NFC title game in 2011.

LaFleur guided the Packers to a 6-0 record in NFC North games in 2019, just the second time that Green Bay had gone undefeated in the division (2011) since the league went to a divisional format in 1967. He joined Jim Caldwell (2011) and Mariucci (1997) as the only coaches in NFL history to

post a perfect divisional record and 13-plus wins in the regular season in their first season as a head coach.

Led by LaFleur, the Packers recorded 20-plus points in 13 games during the 2019 regular season, good for No. 5 in the NFL. Green Bay was tied for No. 10 in the NFL in offensive TDs (44) and posted 18 rushing TDs (tied for No. 7 in the NFL), the most by the Packers since 2009 (20).

Green Bay's defense also took a step forward with LaFleur at the helm in 2019 as it allowed 19.6 points per game (No. 9 in the NFL). It marked the first time Green Bay had finished in the top 10 in the league in the category since 2010, which was also the last time the Packers allowed fewer than 20 points per game. The average of 19.6 points per game allowed was a 5.4-point decrease from 2018 (25.0 ppg.), the biggest one-year improvement in scoring defense for the Packers since 1996.

"We are very excited to welcome Matt as the next head coach of the Green Bay Packers," said Packers President and CEO Mark Murphy on the day of LaFleur's hiring. "We found a coach with the background and experience that we think will get us back to playing winning football. We're also excited about the person — he is bright with a great work ethic and a perfect fit for Green Bay and the organization."

LaFleur came to Green Bay after spending two seasons as an offensive coordinator, first with the Los Angeles Rams in 2017 and then with the Tennessee Titans in 2018. He also coached quarterbacks for two seasons with the Atlanta Falcons (2015-16) and four seasons with the Washington Football Team (2010-13). LaFleur got his start in the NFL coaching ranks with the Houston Texans as an offensive assistant in 2008-09.

During his first 10 seasons in the league, LaFleur was a part of offensive staffs that helped their teams rank in the top 10 in the NFL in total yards seven times (2008-09, 2012-13, 2015-17). In three of those seasons, LaFleur was on a staff that helped its offense finish in the top five in the league in scoring, highlighted by No. 1 rankings in 2016 with the Falcons and in 2017 with the Rams.

In his lone season with the Titans, LaFleur guided the offense to a No. 7 league ranking in rushing (126.4 ypg) as Tennessee registered 11 games with 100-plus rushing yards, tied for No. 2 in the NFL in 2018. Tennessee's ground game was led by third-year RB Derrick Henry, who finished No. 7 in the NFL in rushing yards (1,059) and tied for No. 3 in rushing TDs (12), the most by a Titan since RB Chris Johnson's 14 rushing TDs in 2009. RB Dion Lewis added 517 rushing yards as Tennessee was one of only three teams in the league (Denver and Seattle) to feature both a 1,000-yard back and a 500-yard back in 2018.

Despite missing three full games and parts of others due to injuries, Titans QB Marcus Mariota set a single-season franchise record with a 68.9 completion percentage, good for No. 6 in the league in '18, and posted a career-high average of 7.64 yards per attempt, the top mark by a Titans QB (min. 200 att.) since Steve McNair in 2003 (8.04). In Week 12 at

Houston, Mariota completed 22 of 23 passes for 303 yards and two TDs with no INTs, a 95.7 completion percentage that was the second-best single-game mark in NFL history (min. 20 att.) behind only Chargers QB Philip Rivers' 96.6 percentage recorded the previous day vs. Arizona.

Under LaFleur's direction, Tennessee's offense had one of its finest seasons in team history when it came to taking care of the football, finshing tied for No. 7 in the league with 18 give-aways, tied for the fourth fewest in a season in franchise annals. The Titans set a single-season team record with only six fumbles lost on the season, which was tied for No. 4 in the NFL in 2018. The offense also contributed to the Titans being called for only 82 penalties on the season, the fewest in the league in 2018 and the few-

est in franchise history in a 16-game season (since 1978).

Tennessee's offense suffered a significant blow when TE Delanie Walker, who earned Pro Bowl honors in three consecutive seasons (2015-17), sustained a season-ending ankle injury in Week 1 at Miami. The Titans' other tight ends (Jonnu Smith, Anthony Firkser, Luke Stocker, MyCole Pruitt) went on to combine for 750 yards and seven TDs on 63 receptions (11.9 avg.).

As offensive coordinator for the Rams in 2017, LaFleur was part of a staff that helped the team improve its win total by seven games (4-12 to 11-5) as Los Angeles took home the NFC West crown for the first time since 2003. The Rams led the league in scoring with an average of 29.9 points per game, more than doubling their average from 2016 (14.0 ppg) as they became the first team in the Super

Bowl era (since 1966) to go from last to first in the NFL in scoring in one season. The Rams also finished in the top 10 in the league in total offense (No. 10, 361.5 ypg), rushing offense (No. 8, 122.1 ypg), passing offense (No. 10, 239.4 ypg) and third-down percentage (No. 9, 41.1).

RB Todd Gurley was named AP Offensive Player of the Year after leading the league in yards from scrimmage (2,093) and rushing TDs (13) and ranking No. 2 in the NFL with a career-high 1,305 rushing yards. QB Jared Goff finished in the top 10 in the league in passer rating (No. 5, 100.5), passing yards (No. 10, 3,804), passing TDs (t-No. 5, 28) and INT percentage (No. 5, 1.47). The Rams threw only seven INTs

on the season, the fewest in the NFL in 2017 and tied for the fewest in a season in franchise history (1969).

LaFleur joined the Rams after serving as the quarterbacks coach for the Atlanta Falcons in 2015-16. In 2016, he was a member of an offensive staff that helped the Falcons win the NFC title and set franchise records for total yards per game (415.8), points scored (540), net passing yards per game (295.3) and yards per play (6.7). LaFleur tutored QB Matt Ryan as he set single-season franchise marks for passing yards (4,944), completion percentage (69.9) and TD passes (38) along with an average of 9.26 yards per attempt that ranked No. 1 in league history among QBs with 500-plus attempts. Ryan led the league with a 117.1 passer rating, the seventh highest in a season in NFL history, on his way to being named NFL Most Valuable Player and Offensive Player of the Year by AP.

LaFleur spent the 2014 season coaching quarterbacks at the University of Notre Dame, where he helped QB Everett Golson throw for 3,445 yards and 29 TDs, both good for No. 3 in single-season school annals. Golson completed a school-record 25 consecutive passes in a game vs. Syracuse, eclipsing the previous mark of 14 straight held by three different quarterbacks.

From 2010-13, LaFleur served as quarterbacks coach for the Washington Football Team. In 2012, he tutored rookie Robert Griffin III, who became the first QB in team history to win AP Offensive Rookie of the Year and the first Washington rookie QB to be selected to the Pro Bowl. Washington finished 10-6 on the season, taking home its first NFC East crown in 13 years. Griffin completed 258 of 393 passes (65.6 percent) for 3,200 yards and 20 TDs with just five INTs, and set NFL rookie records for passer rating (102.4), interception percentage (1.27) and rushing yards by a QB (815). Washington ranked No. 4 in the league in 2012 in scoring (27.3 ppg), the second-best average in team history (27.7 in 1999), and led the NFL with a franchise-low 14 giveaways on the season.

In 2011, veteran QB Rex Grossman started 13 games and posted career highs for completions (265) and passing yards per game (242.4) under LaFleur's direction. In his first

season in Washington, LaFleur helped the team finish No. 8 in the league in passing offense (244.6 ypg), the team's best average since 1999 (245.4 ypg). Veteran QB Donovan McNabb started 13 contests in 2010 and ranked No. 8 in the league with an average of 259.8 passing yards per game.

LaFleur's first NFL coaching experience came with Houston as an offensive assistant in 2008-09, where he was part of a staff that helped the Texans rank in the top five in the league in total offense and passing offense in both of those seasons. In 2009, LaFleur assisted offensive coordinator/ quarterbacks coach Kyle Shanahan with the QBs as the Texans ranked No. 4 in the league in total offense (383.1 ypg), highlighted by a passing game that ranked No. 1 in the NFL (franchise-record average of 290.9 ypg) as QB Matt Schaub led the league and set single-season team records for passing yards (4,770) and completions (396). In 2008, LaFleur assisted wide receivers coach Larry Kirksey as Houston ranked No. 3 in the league in total offense (382.1 vpg) and No. 4 in passing offense (266.7 ypg), with WR Andre Johnson leading the NFL in receptions (team-record 115) and receiving yards (1,575).

In 2007, LaFleur served as the offensive coordinator at Ashland (Ohio) University, where he helped the Eagles score a then-school-record 440 points and average 528.2 yards of offense per game on the way to an NCAA Division II postseason appearance, the team's first since 1997.

LaFleur began his coaching career as an offensive assistant at Saginaw Valley State in 2003 before working as a graduate assistant at Central Michigan in 2004-05. He also coached quarterbacks and wide receivers at Northern Michigan in 2006.

Born Nov. 3, 1979, in Mount Pleasant, Mich., LaFleur played quarterback at Saginaw Valley State (2000-02), where he guided the Cardinals to three straight NCAA Division II playoff appearances and earned second-team All-Great Lakes Intercollegiate Athletic Conference honors in all three seasons. He ranks No. 3 in school history in passing yards (7,699), completions (560) and passing TDs (67). LaFleur began his college career as a wide receiver at Western Michigan (1998-99) before transferring to SVSU.

Following his college career, LaFleur played in the National Indoor Football League for the Omaha Beef in 2003 and the Billings Outlaws in 2004.

LaFleur's younger brother, Mike, is currently the offensive coordinator for the New York Jets. Their father, Dennis, was a starting linebacker on Central Michigan's 1974 national champion team and went on to be a defensive assistant coach for the Chippewas for 22 seasons (1976-97). Following his time at CMU, Dennis also served as the head coach for four seasons and as an assistant coach for 13 seasons at Mount Pleasant (Mich.) High School.

LaFleur and his wife, BreAnne, reside in De Pere with their two sons, Luke and Ty.

BARRY
Defensive Coordinator
20th NFL Season // First Packers Season

Entering his 20th season coaching in the NFL, Joe Barry begins his first year with the Packers in 2021 as the team's

defensive coordinator.

Named to his position on Feb. 8, 2021, by Head Coach Matt LaFleur, Barry comes to Green Bay after spending the past four seasons with the Los Angeles Rams as assistant head coach/linebackers. He brings four seasons of experience as a defensive coordinator in the NFL, having spent two years (2007-08) with Detroit and two seasons with Washington (2015-16). During his time as a defensive coordinator, Barry guided his units to top-five rankings in the NFL in forced fumbles in all four of those seasons.

During his four seasons with the Rams, Barry was a part of a defensive staff that helped the team rank No. 2 in the NFL over that span in sacks (192.0), tied for No. 2 in take-aways (104) and interceptions (63), No. 7 in overall defense (329.9 ypg) and No. 9 in scoring defense (21.5 ppg), one of only three teams in the league (New Orleans, Pittsburgh) to finish in the top 10 in all five categories. Barry's linebackers accounted for 91.0 sacks from 2017-20, No. 7 in the NFL over that span (per Sportradar), as well as 12 interceptions (tied for No. 6) and 26 forced fumbles (No. 7).

The 2020 season saw the Rams lead the league in both scoring defense (18.5 ppg) and overall defense (281.9 ypg), the first time in franchise history that the team led the NFL in both categories. Los Angeles also led the NFL in both categories. Los Angeles also led the NFL in bass defense (190.7 ypg) for the first time in team annals and ranked No. 2 in the NFL with 53.0 sacks. Under Barry's tutelage, LB Leonard Floyd posted a career-high 10½ sacks in his first season with the Rams after recording 11½ sacks in his previous three seasons (2017-19) with Chicago. Floyd also ranked No. 2 on the team in both QB hits (career-high 19) and tackles for a loss (career-best 11.0).

Under Barry's guidance in 2019, LB Cory Littleton led the team and ranked No. 8 in the NFL with a career-high 134 tackles (78 solo) while also posting 3½ sacks, two forced fumbles, nine passes defensed and two INTs. Littleton's 22 passes defensed from 2018-19 led all NFL linebackers and was the best two-year total since Panthers LB Luke Kuechly registered 22 from 2014-15. Also under Barry's tutelage, undrafted rookie LB Troy Reeder played in all 16 games with eight starts, finishing the season with 53 tackles (32 solo) and two forced fumbles, including a career-high 13 tackles (eight solo) in his first career start at Seattle in Week 5, the second most by an NFL rookie in a game in 2019.

Barry helped Littleton to a career year in his first season as a starter in 2018 as he registered a team-high 125 tack-les (career-high 90 solo), a career-best four sacks, a career-high three INTs and 13 passes defensed, the most by an NFL linebacker in 2018 and the most by a Rams LB since Sportradar began tracking in 2000. In Barry's first season with the Rams in 2017, his linebackers helped the team to top-five rankings in both takeaways (28, No. 5) and sacks (48.0, No. 4), including five INTs from the linebackers (tied for No. 1 in the NFL). LBs Alec Ogletree (team-high 128) and Mark Barron (108) both registered 100-plus tackles, with Barron tying for the league lead among LBs with a career-high three INTs and Ogletree ranking tied for No. 2 among LBs with 10 passes defensed.

From 2015-16, Barry served as the defensive coordinator for the Washington Football Team, where he helped the club rank No. 3 in the NFL over that span in forced fumbles (39), ited for No. 10 in sacks (76.0) and tied for No. 11 in takeaways (48). In 2016, Barry's defense was tied for No. 9 in

the NFL with 38.0 sacks, with LB Ryan Kerrigan ranking No. 8 in the NFL with 11.0 sacks and LB Trent Murphy adding a career-high 9.0, the first time since 2009 that Washington had two players register nine-plus sacks in the same season. Washington had 32 different players log a defensive snap in '16, with 21 of them starting at least one game for a team that won the NFC East.

In Barry's first season with Washington, the team was tied for the league lead in both forced fumbles (22) and opponent fumble recoveries (15). Washington was tied for No. 8 in the NFL in 2015 with 27 takeaways, including 26 in the final 14 weeks of the season, tied for No. 3 in the league over that span. The team forced three-plus turnovers in five games on the season, tied for No. 3 in the NFL, and Barry's defense ranked No. 17 in scoring defense (23.7 ppg) after Washington was tied for No. 29 in the category in 2014 (27.4 ppg).

Before joining Washington in 2015, Barry spent the previous three seasons (2012-14) coaching linebackers for the

San Diego Chargers, where he was a part of a staff that helped the team to No. 9 rankings in overall defense in both 2012 and 2014. In Barry's first season, the Chargers registered 38.0 sacks (tied for No. 11 in the NFL), 21 of which were tallied by the team's linebackers, including a teambest 9½ from Shaun Phillips. Demorrio Williams posted two INT returns for TDs in '14, the first San Diego LB to do so in a season since 1979.

Barry spent the 2010-11 seasons as linebackers coach at USC, his second stint coaching at his alma mater. He tutored LB Malcolm Smith in 2010, a seventh-round pick of Seattle in 2011 who would go on to be named MVP of Super Bowl XLVIII with the Seahawks. Barry came to USC after one season as linebackers coach with Tampa Bay in 2009, his second stint with the Buccaneers.

From 2007-08, Barry served as the defensive coordinator for the Detroit Lions, where he helped the team rank No. 1 in the league over that span in opponent fumbles recovered (34) and tied for No. 1 in forced fumbles (47). The Lions were tied for No. 3 in the NFL with 35 takeaways in 2007, the most posted by Detroit over the past 20 seasons (2001-20), and registered 37.0 sacks, tied for No. 9 in the league.

Barry came to Detroit after coaching the linebackers in Tampa Bay for six seasons (2001-06), a stretch that saw the Buccaneers lead the league in passing defense (177.2 ypg) and rank No. 2 in scoring defense (17.4 ppg), overall defense (285.7) and interceptions (123) over that span. He was part of a staff that helped Tampa Bay's defense to top-10 rankings in five consecutive seasons (2001-05), one of only two teams to do so over that span (Pittsburgh), including No. 1 overall finishes in both 2002 and 2005.

Barry tutored Hall of Fame LB Derrick Brooks, helping him earn first-team All-Pro honors from *The Associated Press* three times (2002, 2004-05), Pro Bowl recognition in all six of those seasons and a spot on the NFL's All-Decade Team for the 2000s. Brooks was named the NFL's Defensive

Player of the Year in 2002, the same season that Tampa Bay won its first Super Bowl title, and posted 170 tackles (117 solo) and a career-high five INTs. Brooks racked up 218 return yards on those INTs in '02, the most by an LB in a season in NFL history, and he became the only LB in league history to return three INTs for TDs in a season. LB Shelton Quarles also earned the lone Pro Bowl selection of his career under Barry's tutelage in 2002 after ranking No. 2 on the team with 159 tackles (84 solo) along with a career-high two INTs.

Barry's first NFL coaching position came in 2000 when he served as a defensive quality control coach for the San Francisco 49ers. He spent the previous five seasons in the collegiate coaching ranks, serving as the linebackers coach at UNLV (1999), the linebackers/defensive ends coach at Northern Arizona (1996-98) and as a graduate assistant/ defensive line at USC in 1995.

Barry played linebacker at the University of Michigan from 1989-90 before transferring to USC and earning two letters for the Trojans in 1992-93. His father, Mike, coached 28 seasons at the collegiate level, two seasons in the USFL and three seasons with the Detroit Lions (2006-08). Barry's father-in-law, Rod Marinelli, who has 25 years of coaching experience in the NFL, is currently the defensive line coach for the Las Vegas Raiders.

Barry was born July 5, 1970, in Murphysboro, III. He and his wife, Chris, have two daughters, Camryn and Lauren, and twin sons, Nick and Sam.

#### **EARNING THE HONOR**

While the Packers achieved the ultimate team success on the field in 2010, winning the franchise's 13th world championship and fourth Super Bowl, there were also a number of individual accolades that accompanied the collective accomplishment.

When the initial voting for the Pro Bowl was released, five Green Bay players (T Chad Clifton, S Nick Collins, WR Greg Jennings, LB Clay Matthews and CB Charles Woodson) were named to the NFC's all-star team. Following the addition of three alternates (WR Donald Driver, LB A.J. Hawk and CB Tramon Williams), the Packers' list grew to eight players. The eight selections were tied for the third most in team history and were the largest representation the organization had on the Pro Bowl roster since it sent nine in 1967. Fortunately, though, none of the Packers' selections ever appeared in the game (played Jan. 30, 2011), as they were preoccupied with preparations for the upcoming Super Bowl XLV on Feb. 6.

A look at the most-represented Packers teams in terms of Pro Bowl selections since the game's inception following the 1938 season. The Packers played as a team in the 1939 game and therefore that year isn't included.

## MAURICE IRAYTIN

**Special Teams Coordinator**Sixth NFL Season // Fourth Packers Season

Entering his 23rd season in coaching, Maurice Drayton begins his fourth year with the Packers and his first as special

teams coordinator in 2021. Promoted to his current position on Feb. 8, 2021, by Head Coach Matt LaFleur, Drayton spent the previous three seasons as Green Bay's assistant special teams coach. He came to the Packers after spending the 2016-17 seasons in the same role with the Indianapolis Colts.

In 2020, Drayton worked with K Mason Crosby, who set a single-season team record for field-goal percentage by connecting on all 16 attempts. That bested the previous mark of 91.7 percent set by Crosby in 2019 (22-24) and K Jan Stenerud in 1981 (22-24). Crosby's 95.0 FG percentage (38-40) over the past two seasons ranks No. 3 in the NFL over that span.

Drayton has also worked with P JK Scott, who recorded the second-best (45.5 in 2020) and fourth-best (44.7 in 2019) single-season marks for gross punting average in team history (min. 35 att.). He ranked No. 9 in the NFL with 29 punts inside the 20 in '19, the most by a Packer since 2012.

Drayton was part of an Indianapolis special teams staff in 2017 that helped rookie P Rigoberto Sanchez finish No. 4 in the NFL in net punting average (42.6) and earn a spot on the PFWA All-Rookie team. In two seasons with the assistance of Drayton, K Adam Vinatieri registered his 19th and 20th 100-point seasons, extending his NFL record. Drayton's 2016 season in Indianapolis saw him assist P Pat McAfee in earning his second career Pro Bowl selection after he led the league with a team-record 49.3-yard average. The Colts also ranked No. 4 in the NFL in kickoff return average (25.1) in '16.

Drayton brings 14 years of collegiate coaching experience to Green Bay, including nine total seasons at his alma mater, The Citadel. In 2014-15, Drayton was the assistant head coach/defensive coordinator/cornerbacks coach at The Citadel, where he helped the defense set numerous records in '15 as the Bulldogs won a share of the Southern Conference title. The team won six of its conference games that season, tying a school record, and the Bulldogs' nine total wins were the second most in school history. They ranked No. 2 in the conference in scoring defense, total defense, rushing defense and sacks in 2015. The program also led the conference with 31 takeaways, 11 fumble recoveries, 10 passing TDs allowed and a 36.5 opponent third-down conversion percentage.

GIZZI
Strength and Conditioning Coordinator
Eighth Season as NFL Coach // Eighth Packers Season

Chris Gizzi enters his eighth season on Green Bay's coaching staff in 2021 and his third as strength and conditioning coor-

dinator, having been promoted to the position on Feb. 18, 2019, by Head Coach Matt LaFleur.

Originally hired by the Packers on February 7, 2014, Gizzi spent five seasons with the organization (2014-18) as a strength and conditioning assistant. Prior to coming to Green Bay, he spent the 2013 season as an assistant football strength and conditioning coach for the University of North Carolina. Before joining the Tar Heels at the start of the college football season, Gizzi served as a strength and conditioning intern with the Packers during the 2013 offseason and training camp. His first coaching experience came in 1998 when he served as a graduate assistant defensive coach at the Air Force Academy. He also served as a defensive quality control coach at Air Force in 1999.

In his first season as strength and conditioning coordinator, the Packers had 28 players appear in all 16 regular-season games, the most in the NFL in 2019. For Green Bay, it tied the top mark posted by the team over the past 20 seasons (2000-19), matching the number of players to play in all 16 games in 2000 and 2014.

As a player, Gizzi entered the NFL as an undrafted free agent with the Denver Broncos in 1998. A 1997 graduate of the Air Force Academy, the linebacker participated in the Broncos' offseason activities in '98 and '99, but spent both seasons on the reserve/military list while honoring his commitment to the United States military.

Upon completing his military duty in 2000, Gizzi returned to the Broncos and played in all four preseason contests before he was released by the team in the final roster reduction. Gizzi was acquired by the Packers off waivers on the eve of the 2000 regular season and spent time on both the 53-man roster and the practice squad during his first season with the club. The first-year linebacker played in 11 games and ranked fifth on the club with eight special teams tackles.

Gizzi returned to the Packers in 2001 and played in 12 games, making the first and only start of his career in Week 3 at Carolina. Gizzi tallied four tackles (three solo) in the 28-7 win over the Panthers and finished the season with nine tackles (six solo) before he was placed on injured reserve in Week 15.

A two-year starter and three-time letterwinner (1994, 1996-97) at Air Force, Gizzi played in 38 games for the Falcons, finishing his career with 342 tackles (155 solo), including 26 for a loss, and 10 sacks. The standout de-

#### TITLETOWN: GREEN BAY, WIS.

On Dec. 6, 1961, three days after the Packers clinched the Western Conference title and were assured of playing host to the NFL Championship Game in Green Bay for the first time, civic leaders adopted the nickname "Titletown, U.S.A."

Some 110 men and women from all walks of civic and business life in Green Bay agreed to the idea – the brainchild of Jack Yuenger, the *Green Bay Press-Gazette's* advertising manager at the time – during a breakfast at the old downtown Beaumont Hotel. Festivities were to start following the Packers' final regular-season game in Los Angeles on Dec. 17.

The group made plans to hang Titletown banners and signs in the downtown area; held a number of events, including a Christmas party for the Packers on Dec. 23 at the Brown County Veterans Memorial Arena; and wrote a song, "Titletown, U.S.A.," to the tune of "Mr. Touchdown."

The community enthusiastically greeted the idea to the point where it still uses the nickname, and the Packers did their part on Dec. 31 by beating the Giants, 37-0, in the first postseason game ever played at what is now Lambeau Field.

## NATHANIEL HACKETT

Offensive Coordinator

13th NFL Season // Third Packers Season

Entering his 13th season coaching in the NFL, Nathaniel Hackett begins his third year with the Packers in 2021 as the

club's offensive coordinator.

Named to his position on Jan. 16, 2019, by Head Coach Matt LaFleur, Hackett served as the offensive coordinator for the Jacksonville Jaguars for the previous three seasons (2016-18), having initially assumed the role in Week 9 of the 2016 campaign. He also served as the offensive coordinator for the Buffalo Bills for two seasons (2013-14). Hackett's first NFL coaching experience came with the Tampa Bay Buccaneers, where he served as the offensive quality control coach in 2006-07. He also worked as the offensive quality control coach with the Bills in 2008-09.

In 2020, Hackett helped the Packers rank No. 1 in scoring (31.8 ppg), touchdowns (66), giveaways (franchise-record 11), zero-giveaway games (team-record 10), red-zone TD percentage (team-record 80.0) and time of possession (32:29) and No. 2 in third-down percentage (team-record 49.4). Green Bay became just the third team in league history to record 500-plus points and 11 or fewer giveaways in a season, and its red-zone TD percentage was the top mark posted in the NFL over the past 40 seasons. The Packers ranked tied for No. 2 in the NFL in sacks allowed (21), the fourth fewest by Green Bay in a 16-game season, and the team allowed one sack or zero sacks in a leaguebest 13 games, tied for the most in team history (2004). Green Bay also posted a franchise-record 358 first downs and lost only six fumbles, tied for the fewest in a season in team annals.

The Packers featured four players (WR Davante Adams, T David Bakhtiari, C Corey Linsley, QB Aaron Rodgers) who earned first-team All-Pro honors from *The Associated Press*, Green Bay's most first-team selections on offense since 1962 (six). Rodgers led the NFL in passer rating (121.5), passing TDs (team-record 48), completion percentage (team-record 70.7) and interception percentage (0.95), the first NFL quarterback to lead the league in all four categories since Steve Young in 1992, on his way to earning league MVP honors. Adams set a single-season franchise record with 115 receptions and tied the single-season team mark with 18 receiving TDs as he became the first player in NFL history to register 100-plus receptions and 18-plus TD catches in a season.

In Hackett's first season with the Packers in 2019, he helped guide the offense to a No. 2 league ranking in giveaways with just 13, tied for the second-best mark in team annals, and a No. 1 ranking for zero-giveaway games (nine). Green Bay's rushing attack was led by RB Aaron Jones, who posted 1,084 rushing yards and a career-best 16 rushing TDs, which was tied for the most in the NFL in '19 and was the second most in team history behind only FB Jim Taylor (19 in 1962). Rodgers led the league in interception percentage (0.70) and tied for the league lead with 12 zero-INT games.

In 2018, Hackett helped the Jaguars register back-to-back games with 500-plus yards of total offense for the first time in team history, with 503 yards vs. the N.Y. Jets in Week 4 and 502 yards at Kansas City in Week 5. QB Blake Bortles set a single-season franchise record with three games with 375-plus passing yards, with all three of those performances coming in the first five games of the season. That included his 376-yard effort with four TD passes in Jacksonville's 31-20 win in Week 2 over the eventual Super Bowl champion New England Patriots as the Jaguars

racked up 480 total yards of offense, the most allowed by the Patriots all season.

In 2017, Hackett helped the Jaguars lead the league in rushing (141.4 ypg) for the first time in team history on their way to an appearance in the AFC Championship Game. Jacksonville posted a league-best 11 games with 135-plus rushing yards, four more than any other team in '17, and allowed a franchise-low 24 sacks on the season (No. 3 in the NFL). Hackett also guided the offense to a No. 2 ranking in the NFL in red-zone TD percentage (64.0), the top mark posted by the Jaguars in team annals, and a No. 1 league ranking in goal-to-go TD percentage (85.7).

Hackett took over as the offensive coordinator and playcaller for the Jaguars in Week 9 of the 2016 season, and the team improved its rankings in several categories under his direction. In Weeks 9-17, Jacksonville ranked No. 5 in the league in rushing (124.8 ypg) over that span after averaging 72.6 yards per game through Week 8 (No. 30 in the NFL). The Jaguars posted a league-high 112 runs of 4-plus yards in Weeks 9-17 after ranking last in the league with just 38 runs in the first eight weeks. Hackett also helped the offense rank No. 15 in the league in sacks allowed with 34 on the season after the team gave up 51 in 2015.

Under Hackett's tutelage as the quarterbacks coach in 2015, Bortles set single-season franchise records for passing TDs (35), passing yards (4,428), completions (355) and attempts (606). He also set a team record with a passing TD in 15 consecutive games (Weeks 1-7, 9-16) and posted a franchise-record 72 completions of 20-plus yards. Bortles is one of only four QBs in league history (Steve Young, Daunte Culpepper, Rodgers) to post 4,000 passing yards, 35-plus passing TDs and 300-plus rushing yards in a season, and became the youngest to accomplish the feat by doing so at age 23 in '15. Hackett helped Bortles join Dan Marino (48 in 1984) and Matthew Stafford (41 in 2011) as the only QBs in NFL history to throw 35-plus TD passes at age 23 or younger. In 2016, Bortles joined Rodgers (2009-10) as the only QBs in league history to register back-toback seasons with 3,900-plus passing yards, 20-plus passing TDs and 300-plus rushing yards.

Prior to joining the Jaguars, Hackett directed a Bills offense in 2014 that registered an 86.0 passer rating, the top mark by the team since 2002. Buffalo's quarterbacks combined for only 13 interceptions, the third fewest in franchise history to that point, and the offense registered 33 plays of 25-plus yards, the sixth most in the NFL and the most by a Bills team since 2000. Under Hackett's guidance, WR Sammy Watkins set team rookie records for receiving yards (982), receptions (65) and 100-yard receiving games (four). QB Kyle Orton posted a career-best 64.2 completion percentage, the third-best mark in team history to that point, and a career-high 87.8 passer rating.

In his first season as an NFL offensive coordinator in 2013, Hackett oversaw an offense that ranked No. 2 in the NFL in rushing (144.2 ypg), the best average posted by the Bills since 1992 (152.3 ypg). Buffalo's rushing attack was led by RBs C.J. Spiller (933 yards) and Fred Jackson (890 yards), who became the first duo in franchise history to both register 875-plus rushing yards in the same season and were the lone teammate tandem in the NFL to do so in 2013. QB E.J. Manuel started 10 games and set franchise rookie records for passing TDs (11) and completions (180).

Hackett joined the Bills after three seasons at Syracuse, serving as the offensive coordinator and tight ends/quarterbacks coach in 2011-12 after spending the 2010 season as quarterbacks/passing game/tight ends coach. Under his guidance, the Orange set numerous school records in 2012, including total offense (6,188 yards), yards per game (476.0), passing yards (3,757), TD passes (26), completions (295) and first downs (328). Syracuse featured a 3,000-yard passer, a 1,000-yard rusher and a 1,000-yard receiver in 2012 for the first time in school history and posted seven games with 500-plus yards of total offense. Hackett tutored QB Ryan Nassib, who finished his career at Syracuse with school records for passing yards (9,190), completions (791) and attempts (1,312) while ranking second in TD passes (70).

Prior to joining Syracuse, Hackett served four seasons as an offensive quality control coach in the NFL, first with the Buccaneers (2006-07) and then with the Bills (2008-09). Before that, he spent three seasons at Stanford University, working as the specialists coach and recruiting coordinator in 2005 and as an assistant to the offensive and defensive coordinators in 2003-04. Hackett began his coaching career at his alma mater, University of California, Davis, in 2003, where he served as assistant linebackers coach.

Hackett was a four-year letterman at UC Davis, where he played linebacker and served as the team's long snapper from 1999-2002. He won the George Belenis Award in 1998 as the team's Most Outstanding Redshirt and the Aggie Pride award in 2002 as a senior. Hackett was a part of teams that reached the playoffs in all four of his seasons and finished with a combined 41-9 record.

Hackett's father, Paul, coached 42 seasons (1969-2010) at the college and professional levels, most recently as quarterbacks coach for the Oakland Raiders in 2009-10. Paul was the head coach at the University of Pittsburgh (1989-92) and at the University of Southern California (1998-2000) and was offensive coordinator for the Kansas City Chiefs (1993-97) and N.Y. Jets (2001-04).

Born Dec. 19, 1979, in Fullerton, Calif., Hackett is married to Megan. The couple has two sons, Harrison and London, and two daughters, Briar and Everly.

#### MODERN INSTANT REPLAY "CHALLENGE" SYSTEM, BY THE NUMBERS

After being first introduced in 1999 as a referee replay review to aid officiating, the instant-replay system was extended on a one-year basis in 2000 before being approved for the next three years through 2003. It was later extended on a five-year basis in March 2004, and then finally installed permanently in March 2007.

Plays can either be reviewed by an on-site NFL replay official or on behalf of a coach's challenge. The following is a look at the results of instant replay over the past 22 regular seasons:

GETSY
Quarterbacks/Passing Game Coordinator

Seventh NFL Season // Seventh Packers Season

Luke Getsy begins his seventh season with the Packers and his second season as quarterbacks/ passing game coordinator after

being promoted on March 12, 2020.

In his second stint with the team, Getsy was named quarterbacks coach on Jan. 29, 2019, by Head Coach Matt LaFleur, after spending the 2018 season as the offensive coordinator/wide receivers coach at Mississippi State University. He served as the wide receivers coach for the Packers in 2016-17 and offensive quality control coach in 2014-15. Getsy was originally hired by the Packers on Feb. 7, 2014, and then was promoted to wide receivers coach on Feb. 17, 2016.

In 2020, Getsy helped guide an offense that led the league in scoring (31.8 ppg), set an NFL record for red-zone touchdown percentage (80.0 pct., No. 1 in the NFL since 1981) and posted the team's highest third-down percentage since 1970 (49.44 pct.). Getsy coached QB Aaron Rodgers as he earned NFL Most Valuable Player honors from The Associated Press for the third time in his career (2011, 2014), joining Peyton Manning, Tom Brady and Brett Favre as the only players to earn the honor three-plus times since 1961. Rodgers' 121.5 passer rating ranked No. 2 in league history behind only his own 122.5 rating in 2011, while his leagueleading 48 passing TDs and 70.7 completion percentage both set new team records. Rodgers was also named to his ninth career Pro Bowl and led the league with a 9.60 TD/INT ratio, the top mark in NFL history among QBs with 30-plus passing TDs in a season.

In his first season leading the Packers' quarterback room in 2019, Getsy helped Rodgers earn his eighth career Pro Bowl selection after throwing for 4,002 yards and 26 TDs with four INTs, his second consecutive season with 4,000-plus passing yards, 25-plus passing TDs and four or fewer INTs, the only QB in NFL history to achieve those totals in a single season. Rodgers led the league in INT percentage (0.70), the second-best single-season mark in team history, and tied for the NFL lead with 12 zero-INT games.

In his lone season at Mississippi State in 2018, Getsy helped the Bulldogs rank No. 2 in the Southeastern Conference in rushing offense (223.6 ypg, No. 20 in the nation) and yards per carry (5.66, No. 12 in the nation). MSU rushed for 300-plus yards in four games on the season, the most in the SEC and tied for No. 13 in the FBS. Four different Bulldogs combined for an SEC-best 13 individual 100-yard rushing games, led by QB Nick Fitzgerald (seven). MSU was tied for No. 1 in the FBS in fumbles lost with only three on the season and was tied for No. 3 in the country with just nine total fumbles.

As wide receivers coach with the Packers in 2016-17, Getsy worked with WR Davante Adams, who was the only player in the NFL with 70-plus receptions and 10-plus receiving TDs in both of those seasons. Adams led the team with 74 catches for a team-high 885 yards (12.0 avg.) and 10 TDs in 2017 on his way to earning Pro Bowl recognition for the first time in his career.

In Getsy's first year as receivers coach in 2016, the Packers were one of two teams in the NFL (New Orleans) to have three wide receivers (Jordy Nelson, Adams and Randall Cobb) with 60-plus receptions and 600-plus receiving yards. After missing the 2015 season due to a knee injury, Nelson was named AP NFL Comeback Player of the Year after starting all 16 games and leading the team in all three receiving categories with 97 receptions for 1,257 yards (13.0 avg.) and 14 TDs. Adams posted then-career highs with 75

catches for 997 yards (13.3 avg.) and 12 TDs. Nelson led the NFL in receiving TDs (14) and Adams was tied for No. 2 (12) as they became only the second teammate duo in franchise history with 12-plus TD catches each in the same season (Nelson and Cobb, 2014).

In 2015, Getsy assisted with an offense that posted eight zero-turnover games, tied for the best mark (2009) in franchise history to that point (since 1933). In his first season in Green Bay in 2014, he was part of an offensive staff that helped the Packers lead the league in scoring (30.4 ppg) and tie for No. 1 in the NFL in fewest giveaways (13).

Getsy spent the 2013 season coaching wide receivers at Western Michigan, where he tutored current Jets WR Corey Davis, who earned second-team All-Mid-American Conference honors and was named Freshman of the Year in the conference after catching 67 passes for 941 yards (14.0 avg.) and six TDs. Davis also earned Freshman All-America honors from the Football Writers Association of America and College Football News. Getsy helped build the Broncos' 2014 recruiting class that was rated in the top 50 nationally and the best in MAC history by Rivals.com. He recruited LS Wyatt Pfeifer of Delaware, Ohio, to Western Michigan, the only MAC signee to be selected to the U.S. Army All-American Bowl.

As the offensive coordinator/quarterbacks coach at Indiana University of Pennsylvania (2011-12), Getsy helped guide the Crimson Hawks to the Pennsylvania State Athletic Conference title and a final ranking of No. 6 in Division II in 2012. The team ranked No. 10 nationally in rushing offense with an average of 259.3 yards per game, led by a pair of 1,000-yard rushers in Harvie Tuck (1,660) and De'Antwan Williams (1,325). Tuck was named the PSAC Offensive Player of the Year for the Western Division in 2012. In 2011, Tuck rushed for 1,007 yards (No. 3 in the conference) and QB Pat Smith posted a 155.0 passing efficiency rating (No. 4 in the conference) under Getsy's direction.

Getsy served as an offensive graduate assistant at the University of Pittsburgh in 2010. He was part of a staff that helped guide the Panthers to a share of the Big East title and an appearance in the BBVA Compass Bowl, where they beat Kentucky, 27-10. Pittsburgh's offense featured three players who were selected in the 2011 NFL Draft in WR Jon Baldwin (Kansas City), RB Dion Lewis (Philadelphia) and T Jason Pinkston (Cleveland).

In 2009, Getsy was the offensive coordinator at West Virginia Wesleyan College. He began his coaching career at his alma mater, the University of Akron, serving as a graduate assistant from 2007-08.

As a player at Akron, Getsy set 24 individual school records in his two seasons with the Zips after transferring from Pittsburgh. As a junior in 2005, he led the MAC with 3,455 passing yards, the second-best single-season mark in school history to that point behind only Charlie Frye's 3,549-yard total in 2003. Getsy led the Zips to the conference title that season and was named MVP of the MAC Championship Game after throwing for 413 yards in a 31-30 victory vs. Northern Illinois. He went on to throw for 455 yards, a Motor City Bowl record, along with four TDs, against Memphis in the Zips' first-ever Division I FBS bowl game.

As a senior, Getsy led the MAC with 2,665 passing yards on 199-of-380 passing and added 18 TDs. In just two seasons with the Zips, Getsy threw for 6,117 yards, the fourth most in school history, and 41 TDs with 23 INTs on 477-of-905 passing. He graduated with a degree in marketing management and sales management, earning MAC All-Academic honors in 2005 and 2006.

Following his collegiate career, Getsy played in the North-South All-Star Classic in Houston. He was signed by the San Francisco 49ers as an undrafted free agent in May 2007 and was with the club through the preseason.

Getsy earned first-team AP all-state honors as a senior at Steel Valley High School in Munhall, Pa., after completing 100 of 172 passes for 1,654 yards and 16 TDs. The first four-year starter in school history, he finished his career as the Western Pennsylvania Interscholastic Athletic League's all-time leading passer with 6,021 yards and led his school to the WPIAL playoffs four times. Getsy was selected to the Pittsburgh Post-Gazette's "Fabulous 22" team and the Pittsburgh Tribune-Review's "Terrific 25" squad.

Getsy was born Feb. 16, 1984, in Munhall, Pa. He and his wife, Tina, have three sons, John, Paul and Adam, and a daughter, Nora.

Defensive Backs/Passing Game Coordinator

Entering his 25th season coaching in the NFL, Jerry Gray begins his second year with the Packers in 2021 and first as

the club's defensive backs/passing game coordinator after being promoted by Head Coach Matt LaFleur on March 1, 2021. Gray served as defensive backs coach in his first season with Green Bay in 2020.

Gray originally joined the Packers on Jan. 29, 2020, and his experience includes eight seasons as a defensive coordinator (Buffalo, 2001-05; Tennessee, 2011-13). In his 22 NFL seasons as a defensive coordinator or a defensive backs/secondary coach, he has helped defenses to top-10 league rankings in scoring defense 10 times, in overall defense 10 times and in passing defense 11 times. Gray has worked with defensive backs who have combined for 13 Pro Bowl selections in his 14 seasons coaching the position, with at least one of his players earning Pro Bowl recognition in nine of those seasons. During Gray's time working with the secondary, six different players earned first-team or second-team All-Pro honors from The Associated Press.

In Gray's first season with the Packers in 2020, third-year CB Jaire Alexander earned second-team All-Pro honors from AP, becoming the first Green Bay CB to earn All-Pro recognition since Charles Woodson in 2011. Alexander was also named to his first career Pro Bowl in 2020, making him one of three CBs in franchise history to make the Pro Bowl within his first three seasons (Herb Adderley, 1963, third season; Willie Buchanon, 1973, second season).

Second-year S Darnell Savage also showed considerable development under Gray in 2020, leading the team in interceptions (four, t-No. 3 among NFL safeties) and ranking No. 2 in passes defensed (12, No. 2 among NFL safeties). Savage finished No. 4 on the team with 75 tackles (56 solo) while also recording three tackles for a loss, a sack, two QB hits and a fumble recovery, all career highs.

In his second season in Green Bay, and first working with Gray, S Adrian Amos had arguably the best season of his six-vear career in 2020. Amos finished the regular season No. 1 on the team in both tackles (83) and solo tackles (65), tied for No. 2 and tied a career high in INTs (two), and ranked No. 3 on the team and tied a career high in passes defensed (nine) while also posting career highs in sacks (two) and QB hits (three).

Overall, Gray helped guide the Packers to a No. 7 ranking in the NFL in pass defense in 2020, the team's best ranking since 2015 (No. 6).

Gray joined Green Bay after spending six seasons (2014-19) in the NFC North as the defensive backs coach for the Minnesota Vikings. During his time with Minnesota, he was a part of a defensive staff that helped the Vikings rank in the top 10 in the league in scoring defense for five straight seasons (2015-19), one of only two teams in the NFL to do so over that span (New England). Minnesota ranked No. 2 in the NFL in scoring defense (19.3 ppg) and No. 3 in overall defense (321.8 ypg) and passing defense (214.7 ypg) from 2014-19.

In Minnesota, Gray tutored S Harrison Smith, who earned Pro Bowl recognition in five consecutive seasons (2015-19) and first-team All-Pro honors from AP in 2017. Gray also worked with CB Xavier Rhodes, who was selected to the Pro Bowl three times (2016-17, 2019) and earned firstteam AP All-Pro honors in 2017 as the Vikings had two defensive backs earn first-team All-Pro recognition in the same season for the first time since 1988.

Alexander was also named to his first career Pro Bowl, making him one of three CBs in franchise history to make the Pro Bowl in his first three seasons (Herb Adderley, 1963, third season; Willie Buchanon, 1973, second season).
- Has 24 seasons of NFL coaching experience, including eight seasons as a defensive coordinator (Buffalo, 2001-05; Tennessee, 2011-13).
- In his 22 NFL seasons as a defensive coordinator or a defensive backs/secondary coach, has helped defenses to top-10 league rankings in scoring defense 10 times, in overall defense 10 times and passing defense 11 times.

- Served as the defensive backs coach for Minnesota for six seasons (2014-19), helping the Vikings rank in the top 10 in the NFL in scoring defense in five straight seasons (2015-19).
- As Buffalo's defensive coordinator, helped the Bills rank No. 2 in the league in overall defense in back-to-back seasons (2003-04).
- As a player, was a four-time Pro Bowl selection (1986-89) at CB during his time with the Los Angeles Rams (1985-91). Also played for the Houston Oilers (1992) and Tampa Bay Buccaneers (1993) and finished his career with 28 career interceptions.

In 2019, Gray's defensive backs helped the Vikings to top-10 league rankings in scoring defense (18.9 ppg, t-No. 5), takeaways (31, No. 4) and INTs (17, t-No. 3). S Anthony Harris, who entered the NFL as an undrafted free agent in 2015, tied for the league lead with a career-high six INTs in his first season as a full-time starter, the first Viking to lead the NFL in the category since S Brian Russell tied for the league lead in 2003.

The 2018 Vikings ranked No. 4 in the NFL in total defense (309.7 ypg), the third straight season finishing in the top five in the league in the category. Under Gray's tutelage. Smith earned second-team All-Pro honors as the team's defensive backs helped the Vikings rank No. 1 in the NFL in third-down defense (30.5 pct.) for the second straight season. In 2017, Minnesota ranked No. 1 in the league in both scoring defense (15.8 ppg) and overall defense (275.9 ypg), the first time the Vikings had done so since 1970. Gray's secondary helped limit opponents to 192.4 passing yards per game (No. 2 in the NFL) in '17, the best mark posted by Minnesota since 1993 (179.4 ypg).

In 2016, Gray's defensive backs helped the Vikings to a No. 6 ranking in scoring defense (19.2 ppg) and No. 3 rankings in overall defense (314.9 ypg) and passing defense (207.9 ypg). Rhodes and Smith both earned Pro Bowl recognition, giving Minnesota its first CB/S duo in the Pro Bowl since CB Audray McMillian and S Todd Scott in 1992. In 2015, the Vikings ranked No. 5 in the NFL in scoring defense (18.9 ppg) and won their first NFC North title since 2009.

In Gray's first season with Minnesota in 2014, he helped the defense to a No. 7 ranking in passing defense (223.3 ypg) after the Vikings had finished No. 31 in the league in the category in 2013 (287.2 ypg). Gray's group also helped engineer the largest improvement in the NFL in points allowed from 2013 to 2014 as the Vikings gave up just 343 points in '14 (No. 11) after allowing 480 points in '13 (No. 32). Smith (three sacks, five INTs) was the only player in the league with three-plus sacks and three-plus INTs in '14.

Prior to coming to Minnesota, Gray spent the previous three seasons (2011-13) as the defensive coordinator for the Tennessee Titans. In 2012, Gray's unit ranked No. 7 in the league in INTs (19) and No. 10 in sacks (39). In his first season as coordinator with the Titans, the defense checked in at No. 8 in the NFL in scoring defense (19.8 ppg) and No. 10 in red-zone defense (47.9 pct.).

In 2010, Gray served as the defensive backs coach for the Seattle Seahawks and tutored rookie S Earl Thomas, who started all 16 games and ranked No. 3 among NFL rookies with five INTs.

From 2006-09, Gray coached the secondary for Washington, where he helped the team rank in the top 10 in scoring defense in three consecutive seasons (2007-09) and in passing defense in back-to-back seasons (2008-09). During his time with Washington, Gray tutored S Sean Taylor, who earned two Pro Bowl selections (2006-07) and second-team AP All-Pro honors in 2007.

Gray spent the previous five seasons (2001-05) as the defensive coordinator for the Bills, helping the team to No. 2 league rankings in overall defense in back-to-back seasons (2003-04). The 2004 campaign also saw Buffalo finish in the top 10 in the NFL in scoring defense (17.8 ppg, No. 8), passing defense (164.0 ypg, No. 3), takeaways (39, No. 1), interceptions (24, No. 4) and sacks (45, t-No. 3). The 2003 Bills ranked No. 5 in scoring defense (17.4 ppg), No. 2 in passing defense (169.2 ypg) and tied for No. 9 in sacks (38).

Gray coached the defensive backs for the Titans in 1999-2000, helping Tennessee's defense set a single-season franchise record for points allowed (11.9 ppg) in 2000. That season saw the Titans lead the league in both total defense (238.3 ypg) and passing defense (151.4 ypg), the only time in franchise history that the club led the NFL in both categories. Second-year CB Samari Rolle and S Blaine Bishop both earned Pro Bowl recognition under Gray's tutelage in 2000, with Rolle earning first-team AP All-Pro honors and Bishop taking home second-team All-Pro recognition.

Gray's first NFL coaching job came in 1997-98 with the Tennessee Oilers as defensive quality control coach. He coached defensive backs at Southern Methodist University in 1995-96, starting at the school one season after retiring as a player.

As a player, Gray earned four Pro Bowl selections (1986-89), twice earned AP second-team All-Pro honors (1986, 1989) and posted 28 INTs during his nine-year career. Drafted by the Los Angeles Rams in the first round with the No. 21 overall selection in 1985, he went on to play seven seasons with the Rams (1985-91), one season with the Houston Oilers (1992) and one season with the Tampa Bay Buccaneers (1993). Gray was named the NFL's Defensive Back of the Year by the NFLPA in 1989 and won Pro Bowl MVP honors in 1990. He posted six-plus INTs in a season three times from 1986-92, tied for No. 3 in the NFL over that span.

Gray was a two-time consensus All-America selection at the University of Texas, where he also was twice named the Southwest Conference Defensive Player of the Year as a safety (1983-84). He is a member of the University of Texas' All-Time Team and was selected to the school's All-Decade Team for the 1980s. Gray graduated with a degree in speech communications.

Gray was born Dec. 16, 1962, in Lubbock, Texas. He and his wife, Sherry, have two sons, Jeremy and Jayden. In 2002, Gray started the Jerry Gray Foundation, which supports youth in Lubbock and provides scholarships to the underprivileged.

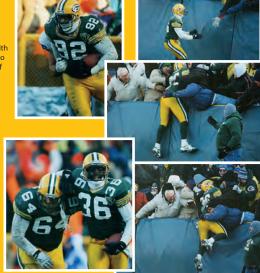

### THE LAMBEAU LEAP

Defensive back LeRoy Butler's spontaneous gesture after scoring a 1993 touchdown has turned into the team's most prominent modern tradition, emulated by many other NFL players. It also symbolizes the team's unique relationship with its fans. No doubt, the initial Lambeau Leap will go down as one of the most memorable moments of Butler's 12-year career.

Butler's leap took place late in a frigid game vs. the Los Angeles Raiders on Dec. 26, 1993, at Lambeau Field. The touchdown gave the Packers a commanding fourth-quarter lead, en route to a 28-0 shutout that clinched a playoff berth, their first of six consecutive postseason trips.

#### Chronology of the play:

- QB Vince Evans completes second-down swing pass to RB Randy Jordan, who takes ball to Raiders' 40-yard line.
- Butler forces fumble, recovered by Reggie White at Raiders' 35.
- White returns ball 10 yards before lateraling to Butler, who covers the remaining 25 yards into the end zone and leaps into arms of fans in south bleachers.

STENAVICH
Offensive Line/Run Game Coordinator
Fifth Season as NFL Coach // Third Packers Season

Entering his fifth season as a coach in the NFL, Adam Stenavich begins his third year with the Packers and his first season as

offensive line/run game coordinator after being promoted on March 1, 2021.

Stenavich (STEN-uh-vitch) was named offensive line coach on Jan. 24, 2019, by Head Coach Matt LaFleur, and came to Green Bay after spending two seasons as the assistant offensive line coach for the San Francisco 49ers (2017-2018). Prior to that, he spent six years in the college ranks, including stints as the offensive line coach at San Jose State (2015-16) and Northern Arizona (2014). Stenavich began his coaching career at his alma mater, the University of Michigan, as a strength and conditioning intern in 2011 before serving as a graduate assistant for the Wolverines for two seasons (2012-13).

Last season, Stenavich coached an offensive line that helped the Packers rank No. 1 in the NFL in scoring (31.9) ppg), giveaways (team-record 11) and time of possession (32:29), tied for No. 2 in sacks allowed (21), No. 5 in total offense (389.0 ypg) and No. 3 in yards per play (6.29). Green Bay allowed one sack/zero sacks in a league-high 13 games in 2020, tied for the most in a season in team history (2004). The line helped pave the way for RB Aaron Jones to set a single-season franchise mark for yards per carry (league-best 5.49) among players with 200-plus attempts, surpassing FB Jim Taylor's mark of 5.42 yards per carry in 1962. T David Bakhtiari and C Corey Linsley each earned first-team All-Pro honors from The Associated Press, while Bakhtiari and G Elgton Jenkins were both named to the Pro Bowl roster. Bakhtiari received All-Pro recognition for the fifth consecutive season, while his Pro Bowl selection marked the third of his career. Jenkins became just the third Packers offensive lineman (Deral Teteak as a rookie in 1952, Charley Brock in his second year in 1940) to make the Pro Bowl in their first two seasons.

In 2019, Stenavich helped guide Bakhtiari to second-team All-Pro honors from AP and his second Pro Bowl selection (first as an original selection). Stenavich's line helped the offense to a No. 2 ranking in the league in giveaways with 13 and a league-best nine zero-giveaway games while also registering 18 rushing TDs on the season, which was tied for No. 7 in the NFL and was the most by Green Bay since 2009 (20). The line blocked for Jones, who led the team with 1,084 yards rushing on 236 carries (4.6 avg.), the first 1,000-yard rusher for the Packers since Eddie Lacy in 2014. Jones had a career-best 16 rushing TDs, which was tied for the most in the NFL in 2019 and was the second most in team history behind only Taylor (19 in 1962). Stenavich also tutored Jenkins, who became only the second Packers guard to be selected to the PFWA All-Rookie team since 1974 (Daryn Colledge, 2006).

1974 (Daryn Colledge, 2006).

In 2018, Stenavich helped coach a San Francisco offensive line that cleared the way for second-year RB Matt Breida to rush for 814 yards and three TDs on 153 carries, an average of 5.32 yards per carry that ranked No. 4 in the NFL. His rushing average was good for No. 3 in franchise history among players with 150-plus attempts in a season, trailing only FB Joe Perry (6.06 in 1954) and RB Frank Gore (5.43 in 2006). As a team, the 49ers posted 60 runs of 10-plus yards on the season, good for No. 8 in the league.

San Francisco's line also provided time for the 49ers quarterbacks to throw for 4,247 yards in 2018, the most by the club since 2000 (4,400 yards). Combined with San Francisco's 4,235 passing yards in 2017, it marked the first

time that the 49ers registered back-to-back 4,200-yard passing seasons since 1993-95. The line helped protect QB Nick Mullens in '18, who threw for 2,277 yards in his first eight career games (Weeks 9-10, 12-17), the fourth most in the league by a quarterback since the 1970 AFL-NFL merger. Despite losing starting QB Jimmy Garoppolo to a season-ending knee injury in Week 3, the 49ers would go on to rank No. 13 in the league in rushing offense and No. 15 in passing offense, one of only eight NFL teams to finish in the top half of the league in both categories in 2018.

In his first season on San Francisco's staff in 2017, Stenavich helped tutor a line that contributed to the 49ers averaging 349.2 yards per game, good for No. 12 in the NFL, including an average of 245.3 passing yards per game (No. 9 in the league). The 49ers came on strong in the second half of the season, ranking No. 2 in the league with an average of 400.3 total yards per game in Weeks 10-17 as the club won six of its final seven games.

Stenavich helped coach T Joe Staley, who earned Pro Bowl recognition in 2017. Staley and the line cleared the way for the offense to register runs of 10-plus yards on 13.0 percent of its carries in '17, which ranked No. 5 in the league. RB Carlos Hyde led the team with 938 yards and eight TDs on 240 attempts (3.9 avg.), with Breida adding 465 yards and two TDs on 105 carries (4.4 avg.).

Prior to joining the 49ers, Stenavich spent two seasons (2015-16) coaching the offensive line at San Jose State. In 2015, his line helped clear the way for the offense to rush for 2,378 yards and 24 TDs with 2,882 passing yards and 21 TDs to become just the second team in school history to register 2,000-plus rushing yards/20-plus rushing TDs and 2,000-plus passing yards/20-plus passing TDs in a season (1976). T Wes Schweitzer earned second-team All-Mountain West Conference honors and was selected by the Atlanta Falcons in the sixth round (No. 195 overall) of the 2016 NFL Draft. Another one of Stenavich's linemen, T Nate Velichko, earned honorable mention All-Mountain West recognition in '15 after spending the previous season at right quard.

Stenavich joined San Jose State after spending the 2014 season as the offensive line coach at Northern Arizona. His line helped the Lumberjacks rank No. 16 in the Football Championship Subdivision (FCS) in passing offense (272.5 ypg) and No. 34 in total offense (419.5 ypg). NAU's line

cleared the way for three different backs to register 100yard rushing games on the season, with a pair of linemen earning All-Big Sky Conference honors (T Joe Gurski, second team; G Eric Rodriguez, third team).

Stenavich began his coaching career at his alma mater, the University of Michigan, in 2011 as a strength and conditioning intern. He then served as an offensive graduate assistant for the Wolverines for two seasons (2012-13). A left tackle at Michigan (2002-05), Stenavich earned first-team All-Big Ten honors in both of his final two seasons, also taking home the Hugh R. Rader Jr. Award as Michigan's top offensive lineman as a senior in 2005.

Following his collegiate career, Stenavich signed with the Carolina Panthers as an undrafted free agent in May 2006, but was released by the team in the final roster reduction. He was signed to Green Bay's practice squad in November 2006 and spent the final six weeks of the season with the Packers. In the spring of 2007, he was allocated to the Amsterdam Admirals of NFL Europa by the Packers and went to training camp with Green Bay that season. Stenavich was with the Dallas Cowboys in training camp in 2008 and then was on the Houston Texans' practice squad in 2008-09.

11th Season as NFL Coach // Third Packers Season

Luke Butkus enters his 11th season coaching in the NFL and his third with the Packers. Named assistant offensive line

coach on Feb. 7, 2019, by Head Coach Matt LaFleur, Butkus enters his 17th season coaching in either Division I college football or the NFL. He joined the Packers after serving as the offensive line coach for the University of Illinois for three seasons (2016-18), a position he also held for the Fighting Illini in 2012.

Last season, Butkus worked with an offensive line that helped the Packers rank No. 1 in the NFL in scoring (31.9 ppg), giveaways (team-record 11) and time of possession (32:29), tied for No. 2 in sacks allowed (21), No. 5 in total offense (389.0 ypg) and No. 3 in yards per play (6.29). The line blocked for RB Aaron Jones, who set a single-season franchise mark for yards per carry (league-best 5.49) among players with 200-plus attempts, surpassing FB Jim Taylor's mark of 5.42 yards per carry in 1962. T David Bakhtiari and C Corey Linsley each earned first-team All-Pro honors from *The Associated Press*, while Bakhtiari and G Elgton Jenkins were both named to the Pro Bowl roster. Jenkins became just the third Packers offensive lineman (Deral Teteak as a rookie in 1952, Charley Brock in his second year in 1940) to make the Pro Bowl in their first two seasons.

In 2019, Butkus helped the offensive line pave the way for Jones to rush for 1,084 yards (4.6 avg.) and 16 TDs, with the TD total tying for the league lead. Butkus assisted in the development of Jenkins, who played in all 16 contests as a rookie and started the final 14 games of the season at left guard. Jenkins was named to the PFWA All-Rookie team, just the second Packers guard to be selected since 1974, and helped Green Bay register 18 rushing TDs, the most by the Packers since 2009 (20). With the help of Butkus, Bakhtiari was named to his second Pro Bowl and earned second-team All-Pro honors from *The Associated Press*.

In 2018, Butkus coached an offensive line that blocked for the No. 2 rushing attack in the Big Ten (243.0 yards per game, No. 12 in the nation). It was the best average for the Illini since 2010, when they led the conference with an average of 246.1 rushing yards per game. Illinois also ranked No. 2 in the Big Ten (No. 6 in the nation) in yards per carry (5.91 avg.) in 2018, and its 25 rushing TDs tied for No. 5 in the conference.

Butkus tutored OL Nick Allegretti, who developed into a twotime team captain (2017-18) and was twice named All-Big Ten (second-team selection by the media and honorable mention by the coaches in 2018, honorable mention by the coaches and media in 2017). Allegretti played in 47 games, including starts in the final 36 contests of his career, and was selected in the seventh round of the 2019 NFL Draft by the Kansas City Chiefs.

In 2017, Butkus was in charge of one of the youngest units in the country. The Illini started three true freshmen on the oftensive line – Larry Boyd, Vederian Lowe and Alex Palczewski – who combined for 27 starts as Illinois had a program-record 87 cumulative true-freshman starts.

Between the two stints at his alma mater, Butkus was the assistant offensive line coach for the Jacksonville Jaguars (2013-15). In 2015, Jacksonville's offensive line protected QB Blake Bortles, who finished tied for No. 2 in the NFL with a franchise-record 35 TD passes. Bortles set a team record with an average of 276.8 passing yards per game (No. 9 in the NFL). The Jaguars led the NFL with a franchise-record 80 offensive plays of 20-plus yards.

#### PRESIDENT KENNEDY ASSISTS PACKERS TO 1961 CHAMPIONSHIP

Vince Lombardi won nine straight postseason games, a streak that began in 1961 during the Berlin Crisis when Paul Hornung, Ray Nitschke and Boyd Dowler were called up to active military duty.

Hornung was ordered to report to Fort Riley, Kan.; Nitschke and Dowler to Fort Lewis, Wash.

All three reported by mid-November and were at the mercy of their base commanders as far as getting weekend passes to play football. In the end, Dowler played all 14 games that season, and Nitschke and Hornung each played 12.

In fact, Hornung played enough to be named the NFL's Most Valuable Player.

But with the league's championship game scheduled for Dec. 31, Lombardi was fretting over how much practice time the three would get.

That proved to be no problem for Dowler and Nitschke. They were given 14-day leaves and arrived back in Green Bay on Dec.

22. But Hornung was awarded just a six-day leave that wasn't going to start until Dec. 27, leaving him scant time to practice. Based on secondhand accounts, the story goes that Lombardi decided to pull some strings. He had President John F. Kennedy's private phone number at the White House and called him. Kennedy, in turn, called Fort Riley with clear instructions that Hornung be given an earlier release.

Orders were followed and Hornung arrived in Green Bay not only in time for a week of practice, but to escort a date to Green Bay's Charity Ball on Dec. 23.

The Packers ended up beating the Giants, 37-0, and Hornung was named the game's MVP.

The Berlin Crisis was a Cold War confrontation between the United States and the Soviet Union over the occupation of the German capital. At its height in late 1961, there was fear that it could trigger a nuclear war.

## JERRY Montgomery

**Defensive Line** 

Seventh NFL Season // Seventh Packers Season

Jerry Montgomery begins his seventh season with the Packers in 2021 and fourth as defensive line coach after spending three seasons

(2015-17) as defensive front assistant. He joined the Packers after coaching at the collegiate level for 11 seasons and at the high-school level for two seasons. Originally named to his current position on Jan. 24, 2018, and retained by Head Coach Matt LaFleur on Jan. 31, 2019, Montgomery has been a part of 10 teams as either a player or coach that have earned postseason berths.

Under Montgomery's guidance in 2020, DL Kenny Clark remained one of the NFL's best interior defenders. Clark finished the season strong, registering 2 1/2 sacks in the postseason, marking just the ninth time a Packer (since 1982) had registered a sack in multiple games in the same postseason. DL Kingsley Keke continued to develop in his second season with Montgomery, finishing last season with four sacks to rank tied for No. 3 on the team.

In 2019, Clark earned his first career Pro Bowl nod and matched his career high (2018) with six sacks. Additionally, according to NFL Next Gen Stats, Clark's 49 QB pressures ranked No. 2 in the NFL in '19 among players who played at least 75 percent of their snaps on the interior defensive line, trailing only Rams DT Aaron Donald (69). Clark also ranked No. 2 on the team with a careerhigh 89 tackles (52 solo), including 11 tackles for a loss.

In 2018, the line contributed to a defense that tied for No. 8 in the NFL with 44 sacks, the most by the Packers since they posted the same number in 2013. In his third season as a pro, Clark was No. 2 on the team with a career-high six sacks despite missing three games due to injury. Named a Pro Bowl alternate, Clark was tied for the team lead with 13 tackles for a loss and led the line with 73 tackles (46 solo).

Montgomery's third season in Green Bay in 2017 saw him help guide DT Mike Daniels, who earned his first Pro Bowl selection while ranking No. 4 on the team with five sacks to go along with a career-high 72 tackles. Clark led the defensive line with 78 tackles, and his 4½ sacks in December were the second most in the NFL among DTs.

Montgomery spent two seasons (2013-14) as the defensive line coach at Oklahoma, where he also played a big role in recruiting, being named Scout.com's Big 12 Recruiter of the Year after the 2014 season. After joining the Oklahoma staff on Feb. 25, 2013, he helped revamp the Sooners' defensive line with young players that included Charles Tapper, a 2013 All-Big 12 first-team selection by the conference's coaches. In his first season, OU led the Big 12 and ranked No. 10 in the nation in opponent third-down conversions (60). The Sooners also led the Big 12 in total defense (350.2 ypg) and pass defense (212.5 ypg) and ranked second in turnover margin (plus-9), run defense (137.6 ypg) and opponent third-down percentage (33.7).

In his two years at Michigan, the Wolverines posted a 19-7 record and limited opponents to 18.6 points per game, and two of Montgomery's linemen, Mike Martin and Craig Roh, earned second-team All-Big Ten honors. In 2012, the Wolverines earned a berth in the Capital One Bowl and ranked No. 13 among FBS schools in total defense (320.0 ypg). In 2011, Michigan allowed 131.7 rushing yards per game, third best in the Big Ten, and finished 11-2 with a victory in the Sugar Bowl.

Montgomery helped produce three All-Mountain West Conference linemen in two years at Wyoming. In his first season, he guided John Fletcher to an All-MWC first-team selection and Mitch Unrein to All-MWC honorable mention and selection as the 2009 New Mexico Bowl Defensive MVP. In Montgomery's second season, Josh Biezuns earned second-team All-MWC honors.

Montgomery's tenure at Northern Iowa began as a graduate assistant/defensive tackles coach in 2006 and finished with two years (2007-08) as the defensive line coach. The Panthers ad-

Inside Linebackers

19th NFL Season // Third Packers Season

Entering his 19th season as a coach in the NFL, Kirk Olivadotti begins his third year with the Packers in 2021 as the club's

inside linebackers coach.

Named to his position on Jan. 24, 2019, by Head Coach Matt LaFleur, Olivadotti (ah-luh-vuh-DOT-ee) came to Green Bay after spending 16 seasons with the Washington Football Team (2000-10, 2014-18). He is one of 11 members on the team's assistant coach honor roll, which recognizes coaches with 10-plus seasons of service as an assistant in Washington. Olivadotti served as the inside linebackers coach at the University of Georgia from 2011-13.

In 2020, Olivadotti relied on significant contributions from a pair of rookie linebackers, Krys Barnes and Kamal Martin, as they combined to appear in 23 games with 16 starts. Barnes, undrafted out of UCLA, played in 13 games with 10 starts, leading NFL undrafted rookies with 78 total tackles (47 solo) and five tackles for a loss. He also started both of the team's playoff games, leading the Packers with 13 postseason tackles. Barnes became just the third undrafted player since 2000 to record 75-plus tackles as a rookie (Paul Worrilow and Joplo Bartu, 2013) as he averaged six tackles per game, ranking No. 3 among NFL undrafted rookies since 2000 (min. 40 tackles). He also became the first undrafted rookie LB to start a season opener for the Packers since the 1970 NFL/AFL merger, doing so at Minnesota (Sept. 13. 2020).

Olivadotti's first season in Green Bay in 2019 saw him lead a group that featured LB Blake Martinez, who set the franchise single-season record (since 1975) with 203 tackles (127 solo), eclipsing LB Nick Barnett's mark of 194 tackles in 2005. Additionally, Olivadotti's linebackers helped Green Bay's defense finish No. 9 in the NFL in points allowed (19.6 ppg.), the first time the Packers had finished in the top 10 in the league in the category since 2010.

In 2018, he tutored LB Mason Foster, who led Washington with a career-high 131 tackles (81 solo) and added a career-best two interceptions. Olivadotti also worked with LB Zach Brown, who finished No. 2 on the team with 96 tackles (69 solo), including 10 tackles for a loss, a sack and two forced rumbles. Brown led the team with 127 tackles (84 solo) in 2017, the most by a Washington player since LB London Fletcher in 2012 (139).

In 2016, Olivadotti guided LB Will Compton, who entered the league as an undrafted free agent in 2013, to a career-high 104 tackles (60 solo), five passes defensed, two fumble recoveries, a forced fumble and an INT. Foster led the team with 123 tackles (88 solo), while rookie LB Su'a Cravens became the second-youngest player to play in a season opener for Washington (21 days, 67 days old).

In 2015, Olivadotti coached a unit that helped Washington to an NFC East title despite featuring a rotating cast of players due to injuries. Keenan Robinson and Perry Riley Jr. began the season as the starters on the inside, but with both sustaining injuries, Olivadotti developed Compton into a reliable starter as he ranked No. 2 on the club with 93 tackles (51 solo).

In his first season back in Washington in 2014, Olivadotti helped Robinson shine in his first season as a starter. Despite missing three games, Robinson led the team with 108 tackles (70 solo), including a 14-tackle effort vs. Tennessee in Week 7 that earned him NFC Defensive Player of the Week honors.

At Georgia, Olivadotti coached an inside-linebacker group that featured Alec Ogletree, who was selected in the first

## JUSTIN DUTTEN

Tight Ends

Sixth NFL Season // Third Packers Season

Entering his sixth season as a coach in the NFL, Justin Outten begins his third year with the Packers in 2021 as the club's

tight ends coach.

Named to his position on Jan. 24, 2019, by Head Coach Matt LaFleur, Outten (OW-ten) joined Green Bay after spending three seasons with the Atlanta Falcons, serving as an offensive intern in 2016 and as an offensive assistant in 2017-18. In all three of his seasons in Atlanta, Outten assisted with the offensive line.

Last season, Outten mentored TE Robert Tonyan as he tied the single-season franchise record (Paul Coffman, 1983) for the most TD receptions by a tight end, finishing with a career-high 11 TDs (No. 2 on the team) while also recording career highs with 52 receptions (No. 2) and 586 receiving yards. Tonyan also tied for No. 1 in the NFL in TD receptions among tight ends (Travis Kelce, 11), becoming the first Packer to rank first in the NFL among TEs since Bubba Franks (tied for No. 1 in 2002), and ranked No. 4 among league TEs (min. 50 rec.) with an average of 11.3 yards per catch. Outten's tight-end group also helped clear holes for a Green Bay offense that ranked No. 8 in the league in rushing (132.4 ypg) and No. 7 in yards per carry (4.78).

In 2019, Outten saw four of his tight ends (Jimmy Graham, Marcedes Lewis, Tonyan, Jace Sternberger) catch a TD pass (including playoffs), the most by the Packers since four tight ends posted TD receptions in 2010. His tight-end group helped the offense rank No. 2 in the league in giveaways (13), No. 1 in zero-turnover games (nine) and No. 8 in redzone TD percentage (64.0). They contributed to an offense that recorded 18 rushing TDs, which was tied for No. 7 in the NFL and was the most by Green Bay since 2009 (20).

During his three seasons with the Falcons, Outten was part of an offensive staff that helped the team rank No. 1 in the league over that span in yards per play (6.26), No. 3 in total offense (389.9 ypg), passing offense (278.5 ypg) and plays of 10-plus yards (730), No. 4 in scoring (27.2 ppg), No. 6 in giveaways (47) and No. 7 in yards per carry (4.45).

In 2018 with Atlanta, Outten helped the Falcons rank in the top 10 in the league in several offensive categories, including third-down percentage (No. 4, 45.3), total offense (No. 6, 389.1 ypg), passing offense (No. 4, 290.8 ypg), scoring (No. 10, 25.9 ppg) and giveaways (t-No. 7, 18). Atlanta also generated 250 plays of 10-plus yards, good for No. 4 in the NFL. C Alex Mack and T Jake Matthews were both selected to the Pro Bowl, the first time since 1983 (T Mike Kenn, G R.C. Thielemann) that the Falcons had a pair of offensive linemen named to the all-star game. Outten was promoted to assistant offensive line coach following the 2018 season.

In Outten's first season as offensive assistant in 2017, the Falcons led the league in third-down percentage (44.7 percent), which was the sixth-best mark in team history to that point. Atlanta was tied for No. 3 in the league in sacks allowed with just 24, the top total posted by the Falcons since 2010 (23), and checked in at No. 8 in the NFL in both total offense (364.8 ypg) and passing offense (249.4).

As an offensive intern in '16, Outten was part of a staff that helped Atlanta set franchise records for total offense (415.8 ypg), points scored (540), passing offense (295.3

## BEN SIRMANS

**Running Backs** 

10th NFL Season // Sixth Packers Season

Ben Sirmans enters his 10th NFL season as an assistant coach in 2021 and his sixth with Green Bay as the team's running

backs coach. Originally named to his position on Feb. 17, 2016, and retained by Head Coach Matt LaFleur on Jan. 31, 2019, Sirmans previously spent four seasons with the St. Louis Rams (2012-15) after 16 seasons in the college ranks.

Last season, Sirmans coached RB Aaron Jones as he recorded a career-high 1,104 yards on 201 carries with nine touchdowns and a franchise-record average of 5.49 yards per rush attempt (min. 200 att.), joining RB Ahman Green (2000-01) as the only Packers with 1,000-plus rushing yards, nine-plus rushing TDs and 45-plus receptions in back-to-back seasons. Jones earned his first Pro Bowl selection after becoming the first Packer with two TD runs of 75-plus yards in a season, and is just one of two players in NFL history (Jim Brown, 1957-60) to rush for 3.000-plus yards, 35-plus TDs and an average of 5.00-plus yards per carry in their first four seasons in the NFL. Sirmans also helped RB Jamaal Williams record his fourth consecutive season of 450-plus rushing yards and 200-plus receiving yards, while rookie RB AJ Dillon because the youngest player in team history (per Elias) to post 100-plus rushing yards and two-plus rushing TDs in a game when he finished with a career-high 124 rushing yards and two TDs on 21 carries (5.9 avg.) vs. Tennessee in Week 16.

In 2019, Sirmans tutored Jones, who had a career-best 16 rushing TDs, which was tied for the most in the NFL in '19 and was the second most in franchise history behind FB Jim Taylor (19 in 1962). Jones posted 1,084 rushing yards on 236 carries (4.6 avg.), the first 1,000-yard rusher for the Packers since RB Eddie Lacy in 2014. Jones' 236 attempts were the fewest carries needed by a 1,000-yard rusher in team history since RB John Brockington in 1971 (1,105 yards on 216 carries). Jones (49) and Williams (39) were the only running-back duo in the NFL to both have 35-plus receptions and multiple receiving TDs in 2019. As a group, Sirmans' backfield combined for the most receptions (101) by Green Bay RBs/FBs since 2006, the most receiving yards (881) since 2005 and the most receiving TDs (eight) since 2003.

Sirmans' third season in Green Bay saw him help guide the Packers to 1,667 rushing yards on 333 attempts, an average of 5.01 yards per carry that was the second-best mark in team history and ranked No. 2 in the league in 2018. Jones led the NFL (min. 100 att.) in yards per carry (5.47) in '18, the first Packer to lead the league in the category since the NFL went to a 16-game schedule in 1978.

In 2017, Sirmans first worked with Williams and Jones as they became the first rookie duo in franchise history to both rush for 400-plus yards in a season. Williams started seven contests and posted a team-high 556 yards rushing, the fourth most by a rookie in team annals. He registered 818 yards from scrimmage, the fourth-best total by a rookie in team history, highlighted by 115-plus yards from scrimmage in three consecutive games (Weeks 12-14), the first Green Bay rookie to do so since Billy Howton in 1952.

Jones played in 12 games with four starts in 2017 and rushed for 448 yards and four TDs on 81 carries, an average of 5.53 yards per carry that was good for No. 6 in franchise single-season history (min. 75 att.). Among RBs with 75-plus attempts, his rushing average ranked No. 2 in the league behind only Saints RB Alvin Kamara (6.07). Jones registered two 125-yard rushing games, matching the fran-

chise rookie record (Brockington, 1971; Lacy, 2013) and tying for No. 4 in the league among all players in 2017.

In his first year with the Packers in 2016, Sirmans guided Ty Montgomery in a transition from wide receiver to running back after injuries to Lacy and James Starks. Montgomery started six games at RB and led the team with 457 yards and three TDs on just 77 carries, ranking No. 1 in the NFL (min. 75 att.) with an average of 5.94 yards per carry. At Chicago in Week 15, Montgomery registered career highs in every rushing category, racking up 162 yards and two TDs on 16 carries (10.1 avg.), the most rushing yards by a Packer since RB Samkon Gado had 171 yards vs. Detroit in 2005.

Sirmans joined the Packers after spending four seasons (2012-15) with the Rams and establishing himself as a strong developer of young backs. In each of his final three seasons in St. Louis, Sirmans coached a rookie RB who led the team in rushing. In 2015, Sirmans tutored firstround pick Todd Gurley, who led all rookies and finished third among all NFL runners in rushing yards with 1,106 yards (4.8 avg.) to become the first Rams rookie to rush for 1,000-plus yards since Hall of Famers Jerome Bettis (1993) and Eric Dickerson (1983). Named Offensive Rookie of the Year by *The Associated Press* and earning Pro Bowl honors, Gurley was the first rookie in NFL history to rush for 125-plus yards in four consecutive games (finished with five total), and his 566 yards rushing were the most in a player's first four starts in the Super Bowl era.

Under Sirmans' direction in 2014, third-round selection Tre Mason ran for a team-high 765 yards in 12 games and finished second in rushing among all rookies. In 2013, fifth-round pick Zac Stacy started the final 12 games of the season and rushed for 973 yards, the third-highest total by a rookie at that point in team history. In 2012, Sirmans guided veteran Steven Jackson to his eighth consecutive 1,000-yard season as he became just the sixth player in NFL history to rush for 1,000 yards in eight or more seasons.

Sirmans spent five seasons (2011-2007) as running backs coach at Boston College, where he mentored the school's No. 3 all-time leading rusher, Montel Harris. In 2011, Harris became the school's career rushing leader and was named the 2011 Atlantic Coast Conference Preseason Player of the Year before a knee injury ended his season prematurely. Harris received first-team All-ACC honors in 2010 after rushing for 1,243 yards on 269 carries (4.6 avg.) and eight touchdowns. Harris finished his junior campaign 126 yards shy of the all-time school rushing record, and was the active ACC rushing leader with 3,600 yards, the most ever recorded by a junior in the ACC.

In 2007, Sirmans helped RB Andre Callender set a BC single-season record for receptions (76), earning him All-ACC second-team honors. Callender led the ACC in yards from scrimmage with 1,709 and set a single-season ACC record for most pass receptions by a running back. The 2007 Eagles began the season 8-0 and ranked No. 2 in the country en route to finishing 11-3, the first BC team to win 11 games since 1940.

Prior to his time at Boston College, Sirmans coached running backs at Michigan State in 2005, where the Spartans finished 20th in the nation in rushing (201.8 ypg). In 2006, he coached special teams as well as the running backs.

Sirmans spent five seasons (2000-04) coaching at Kent State, where he tutored the running backs. In 2001 and 2002, the team ran for 215.0 yards per game, finishing 13th and 15th nationally in rushing production those two seasons. In 2004, Kent State scored 30.5 points per game, the second-highest mark in school history.

Sirmans began his coaching career at his alma mater, the University of Maine, serving as running backs coach and recruiting coordinator from 1996-1999. As a four-year letterman and starter, Sirmans was a running back under current lowa head coach Kirk Ferentz for three years (1990-92). He ran for 1,214 yards, earning all-conference and All-New England honors his senior year. He graduated from Maine in 1993 with a degree in physical education, health and recreation.

Sirmans was born Oct. 17, 1970, in East Orange, N.J. He is married to the former Letia Thompson. The couple has a son, Marcus, 12.

MIKE
SMITH
Outside Linebackers

Ninth Season as NFL Coach  $\ensuremath{/\!/}$  Third Packers Season

Entering his ninth season as a coach in the NFL, Mike Smith begins his third year with the Packers in 2021 as the club's

outside linebackers coach. Named to his position on Jan. 25, 2019, by Head Coach Matt LaFleur, Smith came to Green Bay after spending three seasons with the Kansas City Chiefs, having served as outside linebackers coach in 2018 and as the assistant defensive line coach in 2016-17.

Smith's first NFL coaching experience came with the N.Y. Jets, where he worked as a coaching intern for two years (2010-11) and the outside linebackers coach in 2012. He also brings four years of coaching experience at the college level, with three seasons at his alma mater, Texas Tech (2013-15), and one season at the University of Hawaii (2009).

Highlighted by LB Za'Darius Śmith, the 2020 season saw Smith's unit again lead the Packers' pass-rush effort. Z. Smith was named to the Pro Bowl for the second straight season after tying for No. 4 in the NFL with 12½ sacks. He became the first Packers defender to earn a Pro Bowl selection in consecutive years since LB Clay Matthews in 2014-15. Additionally, Z. Smith earned second-team All-Pro honors from *The Associated Press* for the first time in his career, becoming the first Packers LB to be named All-Pro since Matthews in 2012. In his two years working under Smith, Z. Smith has posted 26 sacks, the most by a player in his first two seasons with the Packers and tied for No. 3 in the NFL over that span.

Smith also oversaw the development of second-year LB Rashan Gary in 2020. Despite only starting four games, Gary finished No. 2 on the team with five sacks and tied for No. 2 on the team with 11 QB hits during the regular season.

In his first season with the Packers, Smith oversaw the most productive pass-rushing duo in the NFL. Signed as free agents in March 2019, LBs Z. Smith (13½) and Preston Smith (12) both posted career-high sack totals as they became the first duo in team history (since 1982) to post 12-plus sacks each in the same season and the first duo in NFL history to both register 12-plus sacks in their first season as teammates. The lone teammate duo in the league with 12-plus sacks each in 2019, Z. Smith ranked tied for No. 1 in the NFL among linebackers with 37 QB hits and tied for No. 2 with 50 total pressures, while P. Smith ranked No. 7 with 23 QB hits and No. 9 with 34 total pressures (according to Sportradar).

Z. Smith's sack total was tied for No. 5 in a season in team history (since 1982), and according to NFL Next Gen Stats, he led the NFL in disruptions (combined total of hurries, pressures or sacks – one per play) in 2019 with 84. Following the season, he was named to his first career Pro Bowl.

In 2018, Smith tutored LB Dee Ford, who was tied for No. 2 among NFL linebackers with a career-high 13 sacks on his way to earning Pro Bowl recognition for the first time in his career. Ford was also tied for the league lead (DE J.J. Watt) with a career-best seven forced fumbles, tied for the second most in a season in franchise history behind only LB Derrick Thomas (eight in 1992).

Smith also coached veteran LB Justin Houston in 2018, helping him register nine sacks and five forced fumbles in 12 games of action. Ford and Houston became the first Kansas City duo to both register five-plus forced fumbles in the same season since DEs Jared Allen and Tamba Hali accomplished the feat in 2006. Ford and Houston joined Broncos LBs Von Miller and Bradley Chubb as the only teammate duo in the NFL in 2018 to both register nine-plus sacks on the season.

Kansas City's defense led the league with 23 forced fumbles in '18, the most by the Chiefs since they recorded the same number in 2006.

DL Chris Jones ranked No. 2 on the team with 6½ sacks, three of which came in a Week 2 contest vs. Philadelphia as he became the first Chiefs defensive lineman to record three sacks in a game since 2010. Jones earned AFC Defensive Player of the Week honors for his performance against the Eagles, one that included two forced fumbles and his first career interception.

In 2016, Smith assisted with a defensive line that helped limit opponents to an average of 19.4 points per game, good for No. 7 in the NFL. He played an instrumental role in

the development of Jones, who played in all 16 games with 11 starts and was named to the PFWA All-Rookie team. The defensive line also helped the Chiefs rank No. 1 in the league in takeaways (33), No. 5 in red-zone defense (49.1 percent) and tied for No. 6 in TDs allowed (34).

Prior to his arrival in Kansas City, Smith coached at his alma mater, Texas Tech, for three seasons (2013-15). He served as the co-defensive coordinator and defensive line coach in 2015 after working as the interim defensive coordinator and outside linebackers coach in 2014. Under his guidance in '14, junior LB Pete Robertson led the Big 12 and was tied for No. 7 in the country with 12 sacks on his way to earning first-team AP All-Big 12 honors. Smith served as the co-defensive coordinator and outside linebackers coach in his first season with the Red Raiders in 2013, helping the defense nearly double its takeaway total from the previous season.

Smith worked the previous three seasons for the New York Jets, coaching the outside linebackers in 2012 and serving as a coaching intern in 2010-11. In 2012, he was part of a staff that helped the Jets rank No. 2 in the league in passing yards allowed (189.8 ypg) and opponent completion percentage (53.8) and No. 7 in opponent passer rating (78.2). ### **MORE ABOUT THE FROZEN TUNDRA**

- After normal wear and tear in the time since the playing surface received a makeover in 2007, the Lambeau Field playing surface underwent an offseason facelift prior to the 2018 season that brought an updated technology to the hallowed ground. After 11 seasons of use, the synthetic fibers used to stabilize the sand-based root zone in Lambeau Field had begun to show some wear, and thus prompted the organization to renovate the field.
- In a project that took several months to complete, SISGrass fibers were injected seven inches deep into a 10-inch sand root zone. The type of fiber utilized this time was a polyethylene fiber as opposed to the polypropylene fibers that were previously used. Other improvements included lowering the sand root-zone depth by two inches, from 12 to 10, which brought the heat system tubing slightly closer to the surface to help maximize efficiency and effectiveness. Irrigation plumbing was also redesigned to double the amount of zones for more accurate control of the system.
- The system's main advantage is attributed to a fast-draining, sand-based soil. Approximately 20 million individual stitches that extend above the surface one inch and protrude downward seven inches help stabilize the sand-based root zone when the grass canopy wears thin after Wisconsin's growing season makes it difficult to regenerate the natural grass. The combination of sand, grass and fiber creates an even and safe playing surface that eliminates large chunks of sod from being torn loose, which creates an uneven and unstable playing field. The system also eliminates the need to re-sod worn areas during the season.
- The drainage system installed during the last upgrade between the 2006 and 2007 seasons is still performing well and will remain. A slight crown of .6 percent will continue to exist to assist water and snow runoff when the field is covered with a tarp.

- The concrete apron surrounding the field was recoated with the same rubberized, non-skid material that was previously used. The rubberized path exists for equipment use, including the heavy equipment used for snow-removal operations, but also allows the players a non-skid surface when doing the Lambeau Leap.
- The Packers are the only NFL team to use the system in its stadium and also utilize the technology on its outdoor practice fields. According to Packers fields manager Allen Johnson, the system is popular in many European soccer stadiums, including the stadiums that the NFL plays in during its International Series in England.

#### **IMPOSTER**

During the 1923 season, the *Green Bay Press-Gazette* published a major story announcing the Packers had signed Jack "Dollie" Gray, an end who'd received All-America honors at Princeton.

According to participation charts kept by George Calhoun, Gray started his only game played – a 24-3 loss to the Racine Legion at Bellevue Park.

Made suspicious by Gray's performance, Curly Lambeau checked the player's background, only to discover he was an imposter. Lambeau quickly gave the player – whoever he was – his walking papers.

However, because he did play in a game, the Packers still list him on their all-time roster.

JASON
VRABLE
Wide Receivers

Ninth NFL Season // Third Packers Season

Jason Vrable enters his third season with the Packers and his second as wide receivers coach after being promoted to his cur-

rent position on March 12, 2020. Originally hired as an offensive assistant by Head Coach Matt LaFleur on Feb. 1, 2019, Vrable assisted with the wide receivers during the 2019 season. He will begin his ninth season as an NFL coach, having six years of experience prior to joining the Packers.

In his first season leading the wide receivers in 2020, Vrable helped WR Davante Adams earn first-team All-Pro honors from The Associated Press and his fourth consecutive Pro Bowl selection after posting a franchise-record 115 receptions for 1,374 yards (11.9 avg.) and 18 touchdowns. Despite only playing in 14 games, Adams matched WR Sterling Sharpe's single-season team record (1994) for receiving TDs and became the first player in NFL history to register 100-plus receptions with 18-plus receiving TDs in a single season. Adams led the NFL in receiving TDs, receiving yards per game (98.1) and receptions per game (8.2), becoming the first NFL player to lead the league in all three categories since Sharpe in 1992. Vrable also coached WR Marquez Valdes-Scantling, who led the NFL in yards per reception (20.9), the top mark in the NFL over the last 10 years among players with 32-plus receptions in a season.

While assisting with the wide receivers in 2019, Vrable worked with Adams, who ranked No. 5 in the NFL in receiving yards per game (83.1) and No. 4 in receptions per game (6.9) on his way to earning Pro Bowl honors for the third straight season. Adams led the team with 83 catches for 997 yards (12.0 avg.) and was tied for the team lead with five receiving TDs despite missing four games due to injury. Vrable also assisted in the development of first-year WR Allen Lazard, who posted 35 receptions for 477 yards (13.6 avg.) and three TDs, with all of his catches coming in the final 11 games.

Vrable arrived in Green Bay after serving two seasons (2017-18) as an offensive assistant for the N.Y. Jets. With the Jets, he worked with WR Robby Anderson, one of only nine WRs in the NFL to register 50-plus catches, 750-plus receiving yards and six-plus receiving TDs in both 2017 and 2018, highlighted by career highs in 2017 (63 catches for 941 yards and seven TDs). Vrable also worked with veteran WR Jermaine Kearse, who posted a team-high 65 receptions for 810 yards (12.5 avg.) in 2017, both career highs, as he and Anderson formed one of only three WR duos in the NFL to both post 60-plus receptions and 800-plus receiving yards in 2017.

Prior to his time with New York, Vrable spent four years with the Buffalo Bills, working as an offensive quality control coach from 2013-15 and then as an assistant quarterbacks coach in 2016. He also assumed the role of interim running backs coach following Anthony Lynn's promotion to offensive coordinator in Week 3 of the 2016 season. For the final 15 weeks of the season, Vrable helped running backs Mike Gillislee (5.71) and LeSean McCoy (5.67) rank No. 1 and No. 2 in the league in yards per carry, respectively, among all qualifying NFL runners. The duo also accounted for 23 total TDs on the season as the Bills ranked No. 1 in the league in rushing offense (164.4 ypg), the team's best rushing average since 1976 (183.3 ypg). # LAMBEAU'S TWIN FLAGS

The twin American flags above Lambeau Field enter their 18th season in 2021. The impressively sized flags, 15 feet by 25 feet, were raised May 28, 2004, on Memorial Day weekend that year.

Located on top of the stadium's indoor club seats on the north end of the facility, the flags are the culmination of the desire to improve Lambeau Field's honoring of America, an effort first discussed in Fall 2003, at the end of the stadium's 32-month renovation.

"Once the Lambeau Field redevelopment project was complete and we had our first games in the stadium, we realized the old flag and flagpole appeared a bit small compared to the larger size of the new facility," said Packers then-CEO Bob Harlan.

"We needed something more prominent to appropriately honor our country and decided to upgrade that component of the stadium. We also heard from a few fans that they had trouble locating the flag during the anthem, so this will definitely help in that area, too.

"The new, larger flags are a great way to honor America and the timing worked out for it to be

done for Memorial Day weekend."

The flags are positioned atop 72-foot-high flagpoles which are stationed on top of the

northeast and northwest corners of the stadium, above the club seats. All told, the flags are flying at 180 feet above ground.

Once the plans were set, the team worked with Kocken and Associates, of De Pere, Wis., on the design and engineering of the project. A major challenge of the design was ensuring both the structure and the flagpoles themselves could withstand the extreme wind load from the two large flags at that height.

Physical preparation for the new flagpoles began months prior with structural work, including reinforcing the area above the ceiling and on the roof with additional steel and concrete to support the extra load.

The two flags fly 24 hours a day, seven days a week, and are illuminated by spotlights at night.

# PACKERS' EARLY COACHES

On Aug. 14, 1919, three days after the Packers were organized, Curly Lambeau was chosen team captain, a position at the time that might have carried as much if not more responsibility than coach.

While Lambeau served as captain of the Packers from 1919-21, three other men held the title of coach during those seasons. Willard J. "Bill" Ryan (1919) - A native of Washburn, Wis., Ryan doubled as coach of the Packers and Green Bay West High School. Maurice "Jack" Dalton (1920) - A product of Janesville (Wis.) High School, Dalton also doubled as coach of the Packers and Green Bay West High School.

Joseph Merrill "Joe" Hoeffel (1921) – Hoeffel was listed as coach of the Packers in their first NFL season. After starring at Green Bay East High School, Hoeffel played end on the University of Wisconsin's unbeaten Big Ten champions of 1912 and was named to the second team on renowned football authority Walter Camp's All-American team. Hoeffel also coached Lambeau at East High in 1916.

#### DID THE PACKERS EVER PAY A FRANCHISE FEE TO THE NFL?

If the Packers ever paid a franchise fee to get into the NFL, there's no record of it at the Ralph Wilson Jr. Pro Football Research and Preservation Center at the Pro Football Hall of Fame or in the Green Bay Packers' corporate records.

The American Professional Football Association (now the NFL) set a fee of \$100 at an organizational meeting on Sept. 17, 1920, according to the official minutes of the meeting. However, no team ever paid it, according to the league's official *Record and Fact Book*.

The Packers were admitted to the APFA on Aug. 27, 1921, and readmitted June 24, 1922, following a five-month expulsion. Curly Lambeau represented the Packers at the 1922 meeting and J. Emmett Clair at the 1921 meeting.

Over the 10 months between meetings, there was no mention in the league minutes of any change to the original fee of \$100 or of the Packers paying a fee, other than a \$1,000 forfeit fee in 1922 as a commitment to follow league rules. On July 28, 1923, NFL owners voted to boost the fee to \$500.

Almost two decades later, The Milwaukee Journal and The Saturday Evening Post published in-depth histories of the Packers and reported

they had paid \$250 to get back into the league in 1922. Then, in 1946, Packers co-founder George Calhoun and author Arch Ward both wrote that Lambeau had paid a \$50 franchise fee in 1922. Adding to the mystery is a 1922 franchise certificate awarded to Lambeau and the private Green Bay Football Club with \$50 handwritten in

the upper left corner. But there's no record of when that notation was made. In fact, when the *Green Bay Press-Gazette* published a photo of the certificate in 1950, the \$50 notation wasn't visible.

In other words, the question of whether the Packers ever paid a franchise fee goes unanswered.

### HISTORY OF THE SACK STATISTIC

In 1947, the NFL implemented a new team statistic, yards lost attempting to pass. The new category allowed the league to separate gross yards passing from net yards, to more accurately reflect a team's passing performance. Net passing yards included yards lost by backs tackled on passing plays.

In 1963, Seymour Siwoff, president of the league's official statistical company, the Elias Sports Bureau, made a suggestion. Recognizing that the "yards lost attempting to pass" figure needed a complement, he argued for a new category: number of times losing yards attempting to pass. The league agreed, and one of the NFL's top executives, Jim Kensil, first coined the term "sack," which is a dark-ages word, meaning to plunder a captured town. Kensil, who handled NFL public relations among other responsibilities, popularized the term in his stories and publicity materials.

In 1982, convinced by member-team PR directors (many of whom were convinced by their players), Elias and the NFL agreed to make individual sacks an official number. New rules were written, such as only two players can share in a sack.

Today, it's arguably the game's most popular defensive stat. Elias, which also tracks official numbers for MLB, the NBA and the NHL, still has the final word on every challenged sack in the NFL, spending Tuesday or Wednesday in the film room at the league office.

#### **PLANE PIONEERS**

The Packers were the first NFL team to fly to a road game, but the trip didn't exactly go smoothly. On Nov. 14, 1940, the Packers left Green Bay on a 7 a.m. Milwaukee Road train and headed for Chicago, where they were taken by limousine from the depot to the airport to board two United Airlines planes.

This was a Thursday and they were scheduled to play the Giants in New York on Sunday. The Packers' itinerary called for them to leave Chicago at 12:30 p.m. and arrive at LaGuardia Airport at 4:25 p.m. (CST). When a host of photographers showed up at the runway, takeoff time was delayed slightly as the Packers posed for several pictures, including Cecil Isbell lifting a stewardess off the ground and pretending to throw her to Don Hutson

Once in the air, things went smoothly until the planes had to land in Cleveland for refueling. With LaGuardia under a heavy fog, the decision was then made to abort the flights. A fleet of taxicabs took the Packers

to downtown Cleveland where they are dinner and sat around a hotel lobby until they could board a New York Central railway sleeper to complete the trip to New York. The Packers finally arrived in New York at 8:30 a.m. on Friday and headed to Central Park to practice

After losing to the Giants, 7-3, things went better on the trip home. The Packers took off early Monday morning from LaGuardia and landed in Chicago without incident. There they took limousines from the airport to Union Station, where they had an hour wait before catching their train back to Green Bay.

### SHOVELING SNOW AT LAMBEAU

One of the more recent traditions that has taken hold among Packers fans is answering the call to shovel snow off the Lambeau Field bleachers. When the team needs help clearing the stands for an upcoming game, it issues a press release or uses social media to alert fans. The Packers provide the shovels and the fans, in turn, provide the muscle (pictured, lower right).

While there was no need to request shovelers in 2020, snowfall during the 2019 season caused the team to put out a call for shovelers on multiple occasions, including both weeks leading up to the Dec. 8 game against Washington and the Dec. 15 game against Chicago. The team also required assistance clearing the bowl and spreading ice melt the morning of the NFC Divisional playoff game against Seattle. Those marked the 32nd, 33rd and 34th occasions that Packers fans have been asked to shovel snow since 2005.

Fans at least 18 years old who arrive early enough often shovel for several hours. Participants receive \$12 per hour upon completion of their work.

While shoveling the stands is a more recent development, fans for generations have been eager to help the Packers in times of need.

Prior to the 1965 NFL Championship Game, played in Green Bay on Jan. 2, 1966, about 25 young volunteers helped close to 60 stadium workers shovel and haul away snow off the large tarpaulins that had covered the field (pictured, upper right).

Prior to the game, the Packers also had spread 40 tons of marsh hay over the playing surface to keep it from freezing. That, too, had to be removed.

The nearly five inches of wet, heavy snow that blanketed the turf fell the morning of the game.

The Packers tried using a helicopter to dry out the field and blow snow off the seats, but it didn't work out and the stadium crew wound up trying to clear the seating areas, as well.

NFL Commissioner Pete Rozelle was in attendance, but said he never considered calling off the game.

"I think you may be better equipped to handle this sort of thing here than any other place in the league," saidRozelle, directing his remarks to local reporters.

### NAMES ON THE FACADE

2018 TOTALS

The names gracing the east and west façades are among the more awe-inspiring features of Lambeau Field's bowl. The names represent the 27 men who have been inducted into the Pro Football Hall of Fame primarily for their years spent with the Green Bay Packers.

Of the 27 names, 24 were players. Earl "Curly" Lambeau and Vince Lombardi were inducted as coaches. Ron Wolf was inducted into Canton in 2015 as a general manager. Safety Bobby Dillon's name

as a general manager, salety bouldy blinton same will be added to the façade during the 2021 season, following his induction as a member of the Pro Football Hall of Fame's Centennial Class in 2020. Cornerback/Safety Charles Woodson's name will also be added to the façade in 2021 following his induction into the Pro Football Hall of Fame this year. Four of the names were charter inductees of the Pro Football Hall of Fame in 1963: Lambeau, Don Hutson, Robert "Cal" Hubbard and John "Blood"

McNally.

Hutson, Hubbard and Blood played during the Lambeau era, as did Clarke Hinkle, Mike Michalske, Arnie Herber and Tony Canadeo. The late Dillon played from 1952-59.

Of the 24 players, 12 of them spent their prime playing for Lombardi: Jim Taylor, Forrest Gregg, Bart Starr, Ray Nitschke, Herb Adderley, Willie Davis, Jim Ringo, Paul Homung, Willie Wood, Henry Jordan, Dave Robinson and Kramer.

James Lofton's, Reggie White's, Brett Favre's and Woodson's Packers careers were played in later eras.

In deference to the Pro Football Hall of Fame, the names appear on the façade as they do on their busts in Canton with nicknames or adopted names included in quotation marks. That's why John "Blood" McNally is listed as he is. While McNally was his given name, he never used it during his playing career, even to sign his contracts. Nor did the name McNally ever appear in a Packers program or press book, or in newspaper coverage of the day. He was simply Johnny Blood, one of the most magical names in sports in the 1920s and 1930s.

The years listed are only the years the players spent with the Packers. Only nine of the inductees spent their entire NFL careers with the Packers: Hutson, Hinkle, Canadeo, Dillon, Starr, Nitschke, Hornung, Wood and Kramer. Lombardi was inducted in Canton only as a coach. That's why the years listed under his name don't include 1968, when he served strictly as Green Bay's general manager.

Also in 2021, the late former Packers general manager Ted Thompson's name will be installed on the Lambeau Field façade to honor his contributions to the organization's success and recognize his legacy.

The names are arranged on the façade in no particular order.

Also gracing the interior walls of the Lambeau Field bowl are the years of the Packers' NFL-record 13 world championships and the team's retired numbers. Favre's No. 4, which was retired July 18, 2015, when he was inducted into the Packers Hall of Fame, was unveiled on the façade next to the five other retired numbers during Green Bay's home game against the Chicago Bears on Thanksgiving, Nov. 26, 2015.

### PACKERS CHEERLEADERS

The Green Bay Packers once had official cheerleaders, but after the 1988 season the decision was made not to reinstate them. While some Packers fans supported the official cheerleaders, many were opposed or indifferent, at best.

Helping the Packers make the decision to discontinue the program was a television news poll in which fans were generally split over whether they wanted the program to continue.

Bob Harlan, then the Packers' executive vice president of administration, was quoted in an official release Feb. 7, 1989, saying: "In general terms, the poll disclosed there were as many fans who expressed opposition to the return of the cheerleaders as there were those in favor of restoring them. On that basis, we felt the appropriate decision at this time would be to continue without them."

At this time, there are no plans to return to official cheerleaders.

### THE ORIGINAL PACKERS

The Packers were born on Aug. 11, 1919. Founded by local football star Curly Lambeau and newspaperman George Whitney Calhoun, they were sponsored by the local Indian Packing Co. The original Packers played 11 games, mostly against other semipro teams from Wisconsin and Michigan's Upper Peninsula. They finished 10-1 and outscored their opponents, 565-12. The team played in an open area of Hagemeister Park with no fence or bleachers. It also had a distinctly local flavor. Of the 25 players who

0 0

appeared in at least one game, 17 had played football at either Green Bay East High School or Green Bay West. Three others were born in the Green Bay area. One player appeared in only one game and was listed in the lineup only by a last name, Bradlee, and no other details are known about him. The Packers also played a semipro schedule in 1920, going 9-1-1, before joining what is now the National Football League in 1921.

### **CAREER TRANSACTIONS**

■ 2020 Selected by Green Bay Packers in the first round (26th overall) of '20 NFL Draft, April 23...Signed first contract, July 1...Placed on reserve/COVID-19, Nov. 6...Activated from reserve/COVID-19, Nov. 10.

### FIRST QUARTERBACKS

Adolph Kliebhan was the starting quarterback in the Packers' first NFL game, played against the Minneapolis Marines on Oct. 23, 1921.

Curly Lambeau would replace him by the second quarter, if not earlier, and it would be the first and last game of Kliebhan's NFL career.

Why he started is anybody's quess.

The Packers played four non-league games prior to facing the Marines, and Kliebhan appeared in three, filling in at quarterback, fullback and right halfback. But he didn't play the week before against Beloit.

Art Schmaehl started at quarterback in the Packers' second league game, against Rock Island, before Lambeau started the final four. Lambeau had started at right halfback in the four non-league games and then at fullback against Rock Island.

In 1922, the Packers signed **Charlie Mathys**, a Green Bay native who had played for the Hammond Pros in 1921. Mathys would start every game at quarterback over the next three seasons and maintain a hold on the job until partway through 1926. Lambeau would start 46 of 67 games from 1922-27, but mostly at right halfback, before his playing time would drastically diminish in 1928.

In 1927, the Packers signed **Red Dunn**, who had led the Chicago Cardinals to the 1925 NFL championship, and he would quarterback them through the 1931 season, winning three more NFL titles.

Future Pro Football Hall of Famer **Arnie Herber** would move into the lineup on a regular basis in 1932, playing mostly right halfback in Lambeau's revised Notre Dame Box offense and taking the Packers' passing game to new heights.

Dunn was the last of the Packers' quarterbacks in the Notre Dame Box to call signals, pass and run. Thereafter, Lambeau used his quarterback as a blocking back until he finally switched to a variation of the T-formation in 1947.

### **LOGO HISTORY**

1950-53: In their first season after Curly Lambeau's 31-year reign, the "New Packers" introduced a logo that was also present on 1950 stock certificates. It changed colors over the four years, as the team

experimented with several uniform combinations

1954-61: Looking for a fresh look with new coach Lisle Blackbourn, the team unveiled new uniforms and a new mark. The logo located both Green Bay and Milwaukee on a Wisconsin silhouette. The passer wore No. 41.

1959-74: Sideline logo, worn on hats, shirts and jackets by coaches, equipment managers and trainers at both games and practice. Coincided with Vince Lombardi's first season, then retained by Phil Bengtson and Dan Devine.

2006: Commemorative mark recognizing the 10th anniversary of the team's Super Bowl XXXI triumph over the New England Patriots.

1961-present: First and only helmet logo in team history was first applied to Packers headgear in 1961. Lombardi's third season as coach. After introducing the G, the team immediately won two world titles (1961-62), and five over the mark's first seven years. Borrowed by scores of high schools and colleges.

1993: Commemorative logo, worn on jerseys during '93 season, signifying the team's 75th professional season since its birth in 1919. Wearing logo, team earned first playoff berth in 11 years, kicking off string of six straight postseason trips.

#### **RIDING BIKES TO PRACTICE**

One of the most heartwarming and enduring of the Packers' many great traditions is the bike-riding one during training camp. Since at least the Vince Lombardi era, more than a half-century ago, players have been riding kids' bikes from the locker room at what is now Lambeau Field to the Packers' nearby practice field(s).

So far the earliest evidence of the tradition is a 1961

So far the earliest evidence of the tradition is a 1961 photo furnished (near right) by Keegan Wright showing Jim Temp (82) and Dan Currie (58) walking to practice while Lamar McHan (46) rides a kid's bike.

The tradition continues today as kids line up outside the stadium hoping to give a player a lift, and then again outside the practice field following practice. It's a tradition that not only has brought immediate joy to kids and players alike, but also led to lasting friendships.

#### THE FIRST NFL GAME

After playing independently for two seasons, the Packers were admitted to the American Professional Football Association in 1921. A year later, the APFA changed its name to the National Football League.

The Packers played their first official league game Oct. 23, 1921, at Green Bay's Hagemeister Park, and beat the Minneapolis

Late in the fourth quarter, the Marines fumbled a punt at their 35-yard line and Packers end Dave "Jigger" Hayes recovered. Three plays later, with the crowd yelling, "Throw a forward," Buff Wagner made a nearly impossible catch of a Curly Lambeau pass at the Marines' 14-yard line. After the Packers barely picked up a first down, fullback Art Schmaehl took a direct snap and bulled his way for a 4-yard touchdown. Lambeau's extra point proved decisive, but the crowd was already celebrating.
"Cushions went flying in the air while soaring hats were as thick as Green Bay flies on a July night," George Calhoun wrote

in his game story.

I am very much interested in playing professional football. Football is a great sport and I enjoy playing it. Yes, I would be interested in playing with the Green Bay Packers. My military status is 1A Category 4. Yes, I will be able to play pro ball before entering the service. I prefer playing in either the United States or Canada. Fullback is the position I feel I can play better.

Sincerely,

Jim Taylor - Baton Rouge, La.

#### THE LOMBARDI SWEEP

Vince Lombardi was fond of saying: "Every football team eventually arrives at a lead play. It becomes the team's bread-andbutter play ... My No. 1 play has been the power sweep, sometimes called the Lombardi Sweep." The call in the huddle was Red Right 49, and the play unfolded with the halfback – Paul Hornung (No. 5) when he was in his prime - carrying the ball around right end following his pulling guards, Jerry Kramer (64) and Fuzzy Thurston (63).

Companion plays in Lombardi's offense included the weak-side sweep with the fullback as the ball carrier and also the halfback option pass.

#### LATE-SEASON SUCCESS

Lambeau Field is historically a difficult place for opponents to play once the weather turns, and the Packers' tradition of late-season success in Green Bay has continued in recent years. Since 2000, the Packers boast a home record of 43-9 (.827) in regular-season contests played in December and January, the top winning percentage in the league over that span. Green Bay has won its last 10 games played in December/January, tied for the longest regular-season streak in team history (1995-97).

Since 2000, Green Bay owns the league's second-best regular-season record in games played Dec. 1 and later:

Phil Bengtson, Vince Lombardi's hand-picked replacement, might have dealt with more pressure in 1970 than anyone who has ever coached the Packers. That season, his third and final as Green Bay's head coach, ended at 6-8, with losses in four of his last five games (all on the road). What's more, Bengtson faced the toughest schedule ever thrown at the Packers. The toughest schedules in team history, based on opponent records at the end of that season:

1970	113	74	.604	6-8-0, tied for third, division	Super Bowl V-champion Colts (twice), NFC-champion Cowboys

#### **ROOKIES VS. FIRST-YEAR PLAYERS**

Rookies are players in their first year of pro football who have not been on another pro football team's roster for any regular-season or postseason games. First-year players are those who have played in other pro sports leagues (Arena Football League, etc.), have participated in previous NFL training camps, or have been on an NFL team's active, inactive or reserve list fewer than six games.

The rule originated when Lawrence McCutcheon, drafted by the Los Angeles Rams in 1972, played only three games his "rookie" season, then rushed for 1,097 yards in 1973. Today, due to McCutcheon and because rosters began expanding around the 1970 NFL-AFL merger (reserve lists formalized, etc.), that year is considered the beginning of the rookie rule. So today, for records purposes, the Packers use 1970 as a separator. From 1921-69, anyone who had yet to play three league games was generally considered a rookie.

#### PACKERS IN THE COLLEGE ALL-STAR GAME

- From 1934-73 and 1975-76, the NFL participated in what was called the College All-Star Game. It kicked off the league's preseason, but it was the most popular game in pro football for many years.
- Chicago's Soldier Field, even when the Bears were playing at Wrigley Field, served as the game's stage for all but two years. Dyche Stadium in Evanston, Ill., was the site in 1943 and '44. An NFL labor dispute forced cancellation of the 1974 game.
- The Packers played in the game eight times and benefited greatly from the exposure, especially in the Curly Lambeau era. When the Packers and All-Stars drew 84,560 for the 1937 game, the Packers had never played before more than 37,000 fans in an NFL regular-season game. They appeared in the game that summer by virtue of winning the 1936 NFL Championship Game, which drew a crowd of 29,545.
- Up until the time he died in 1965, Lambeau said the Packers' victory in the 1940 College All-Star Game was the biggest of his coaching career. "Maybe this sounds funny for me to say, but 1 believe pro football, all of pro football, turned the corner in that game," Lambeau said shortly before his death. As coach of the Packers, Lambeau won six NFL championships.

#### THE COMPENSATORY SYSTEM

The Packers were awarded three compensatory draft selections from the league in 2021, tied for the third most in the NFL. Since the first compensatory picks were awarded in 1994, only Baltimore (53) and Dallas (47) have received more than the Packers (45) and New England (45).

Under the rules for compensatory draft selections, a team losing more or better compensatory free agents ("CFA") than it accesses the previous year is eligible to receive compensatory draft picks. The compensatory picks will be positioned within the third through sixth rounds based on the value of the compensatory free agents lost.

Compensatory free agents are determined by a formula based on salary, playing time and postseason honors. The formula was developed by the NFL management council. Not every free agent lost or signed by a club is covered by this formula. No club may receive more than four compensatory picks in any one year. If a club qualifies for more than four compensatory picks after offsetting each CFA lost by each CFA gained of an equal or higher value, the four highest remaining selections will be

In addition to the 32 compensatory selections awarded under the net loss formula, a recent amendment to the League's Collective Bargaining Agreement awards compensatory selections to the prior employer-club of a minority employee who had been hired by another club as its head coach or general manager. Four such compensatory selections were awarded in 2021.

Teams were previously not allowed to trade compensatories, although they were during the early years of the system. A rule change approved by clubs in 2015 permitted compensatory draft picks to be traded again beginning in the 2017 draft. Because of that clause, the Packers acquired two compensatory choices in 1994 from San Francisco. In other words, Green Bay has actually drafted 47 compensatory players, but the league only has awarded the team 45.

The term NFL Rookie is defined as a player who is in his first season of professional football and has not been on the roster of another professional football team for any regular-season or postseason games. A Rookie is designated by an "R" on NFL rosters. Players who have been active in another professional football league or players who have NFL experience, including either preseason training camp or being on an Active List or Inactive List, or on Reserve/Injured or Reserve/Physically Unable to Perform for fewer than six regular-season games, are termed NFL First-Year Players. An NFL First-Year Player is designated by a "1" on NFL rosters. Thereafter, a player is credited with an additional year of experience for each season in which he accumulates six games on the Active List or Inactive List, or on Reserve/Injured or Reserve/Physically Unable to Perform.

MINNEAPOLIS (AP) — Aaron Rodgers took full advantage of the young cornerbacks and the empty building in Minnesota, passing for 364 yards and four touchdowns to lead the Packers past the Vikings, 43-34. Davante Adams thrived all over the field with a franchise-recording 14 catches for 156 yards and two touchdowns. Marquez Valdes-Scantling and Allen Lazard each reached the end zone, too, as Green Bay had its way with a new-look Minnesota defense. Aaron Jones rushed for 66 yards and a TD for the Packers, who posted their highest score against the Vikings since a 44-31 victory at the Metrodome on Oct. 27, 2013. This was the most points Minnesota has allowed since coach Mike Zimmer was hired in 2014. Dalvin Cook rushed 12 times for 50 yards, two TDs and two two-point conversions. Adam Thielen caught six passes for 110 yards, two scores and another two-pointer, but Kirk Cousins underthrew him in the final minute of the first half, when Jaire Alexander, who also recorded a safety on an untouched cornerback blitz in the second quarter, made a bobbling interception.

#### **GREEN BAY 42, DETROIT 21**

Lambeau Field, Sunday, Sept. 20, 2020. Attendance: 0. Time: 3:07. Weather: 66° F, Humidity: 41 percent, Wind: S 12 mph.

GREN BAY, Wis. (AP) -- Aaron Jones rushed for a career-high 168 yards and scored three touchdowns, including a 75-yard breakaway, as the Green Bay Packers rallied from an early 11-point deficit to beat the Detroit Lions, 42-21. Jones also had a team-high 68 yards receiving on four catches as the Packers (2-0) won their home opener for an eighth consecutive year and improved to 8-0 against NFC North foes during head coach Matt LaFleur's tenure. Jones had a 14-yard touchdown run to go along with his 75-yarder. Aaron Rodgers was 18 of 30 for 240 yards with TD passes to Jones and Robert Tonyan. After winning, 43-34, at Minnesota last week, the Packers are the eighth team in the Super Bowl era to score at least 40 points in each of their first two games. The last two teams to accomplish that feat – New Orleans in 2009 and Denver on 2013 – went on to reach the Super Bowl. Green Bay took the lead for good, 17-14, on Rodgers' 11-yard pass to Tonyan with 14 seconds left in the second quarter. Jones then raced through a hole on the right side and scored on the Packers' first play from scrimmage in the second half. Jones' 75-yard burst was the longest touchdown run by a Packer since Ahman Green had a 90-yarder against Dallas in 2004. The Packers extended the lead to 31-14 later in the third quarter when Rashan Gary pressured Matthew Stafford into throwing an interception that Chandon Sullivan returned for a 7-yard touchdown.

**GREEN BAY 37, NEW ORLEANS 30** 

#### Mercedes-Benz Superdome, Sunday, Sept. 27, 2020. Attendance: 748. Time: 4:11. Weather: Indoors.

NEW ORLEANS (AP) — Aaron Rodgers passed for 283 yards and three touchdowns, and the Packers scored 10 points in the final nine minutes to pull out a 37-30 victory over the New Orleans Saints. With receiver Davante Adams unable to play because of a hamstring injury, Rodgers nonetheless found ways to attack New Orleans (1-2) with a variety of passes, short and long, Allen Lazard caught six passes for 146 yards for Green Bay (3-0), including gains of 48 and 72 yards on throws deep downfield that each set up touchdowns. Saints running back Alvin Kamara built on a sensational start to the season, gaining 197 yards from scrimmage and scoring twice on short passes from Drew Brees, with shifty, tackle-slipping runs after the catch. The game featured a quick sequence of defensive highlights while the game was tied at 27 early in the fourth quarter. Just two plays after Malcolm Jenkins and Marshon Lattimore combined to stop running back Aaron Jones short on fourth-and-1, Za'Darius Smith stripped Taysom Hill on a read-option run and recovered the fumble to give Green Bay possession again near midfield. The Packers parlayed the turnover into a go-ahead, 49-yard field goal by Mason Crosby with 8:47 to play.

#### **GREEN BAY 30, ATLANTA 16**

Lambeau Field, Monday, Oct. 5, 2020. Attendance: 0. Time: 3:27. Weather: 53° F, Humidity: 46 percent, Wind: S 9 mph.

GREEN BAY, Wis. (AP) — Tight end Robert Tonyan caught three of Aaron Rodgers' four touchdown passes, Za'Darius Smith recorded three sacks and the Packers remained unbeaten with a 30-16 victory over the winless Atlanta Falcons in a Monday night contest. The Packers (4-0) opened the season by scoring at least 30 points in four straight games for the first time in franchise history. Star receiver Davante Adams sat out a second straight game with a hamstring injury, receiver Allen Lazard was on injured reserve with a core problem, and a knee injury sidelined veteran tight end Marcedes Lewis. Yet that didn't slow down Rodgers, who capitalized on Atlanta's depleted secondary to finish 27 of 33 for 327 yards and four touchdowns. Tonyan had touchdown receptions of 19 and 8 yards to cap the Packers' final two first-half possessions before adding a 21-yard TD reception midway through the third quarter. Todd Gurley's two touchdown runs couldn't stop the Falcons from their first 0-4 start since 1999. Atlanta already was playing without safeties Ricardo Allen (elbow) and Keanu Neal (hamstring) as well as cornerback A.J. Terrell (reserve/COVID-19). That beleaguered secondary took more hits when Damontae Kazee got carted off the field and Jaylinn Hawkins left with a concussion in the second quarter. Green Bay capitalized by scoring touchdowns on three of its four first-half possessions to build a 20-3 halftime lead. The Packers' other first-half series ended less than a yard away from the end zone when Deion Jones stuffed Jamaal Williams on fourth-and-goal.

#### **TAMPA BAY 38, GREEN BAY 10**

Raymond James Stadium, Sunday, Oct. 18, 2020. Attendance: 15,540. Time: 3:05. Weather: 88° F, Humidity: 48 percent, Wind: ENE 12

TAMPA, Fla. (AP) — A stingy Buccaneers defense turned a rare meeting between Tom Brady and Aaron Rodgers into a mismatch. A young Bucs secondary was equally impressive in setting the tone for a 38-10 rout of the previously unbeaten Packers, who unraveled after taking a 10-0 lead thanks to a Mason Crosby field goal and a Aaron Jones rushing touchdown and limiting Tampa Bay to just five offensive plays in the first quarter. Rodgers threw two interceptions – Green Bay's first turnovers of the season – within a three-pass span of the second quarter to turn the 10-point lead into a 14-10 deficit. Cornerback Jamel Dean returned the first pick 32 yards for a touchdown, while safetly Mike Edwards ran the other back 38 yards to the Packers' 2 to set up another TD. Brady got his favorite target from his days with the Patriots into the mix, throwing a 12-yard touchdown pass to Rob Gronkowski for a 28-10 halftime lead. Brady also threw a 7-yard TD pass to rookie Tyler Johnson and Ronald Jones rushed for 113 yards and a pair of touchdowns for Tampa Bay, which didn't turn the ball over, allow a sack or commit a single penalty after being flagged 11 times in a one-point loss to Chicago in its previous game. Both of Rodgers' interceptions – his first with multiple picks since throwing three in a loss to Carolina on Dec. 17, 2017 – came on throws intended for Davante Adams, who had a team-leading six catches for 61 yards in his return from a hamstring injury that sidelined him two games. Rodgers finished 16 of 35 for 160 yards and no touchdowns after completing 70.5 percent of his passes and throwing for 13 TDs and no interceptions in Green Bay's first four games.

**GREEN BAY 35, HOUSTON 20** 

NRG Stadium, Sunday, Oct. 25, 2020. Attendance: 12,618. Time: 3:03. Weather: Indoors.

HOUSTON (AP) — Aaron Rodgers threw for 283 yards and four touchdowns to lead the Packers to a 35-20 victory over the Texans. Rodgers played a near-flawless game and tied his season high for TD passes, despite being without leading rusher Aaron Jones and left tackle David Bakhtiari. Green Bay's strong day on offense was aided by a career-high 196 yards receiving by Davante Adams, who had touchdown receptions of 3 and 45 yards. The Packers took an early lead when Adams grabbed a 3-yard touchdown reception on the first possession. They made it 14-0 when Jace Sternberger caught a 3-yard TD pass early in the second quarter, a play that was set up by a 36-yard reception by Adams two plays earlier. Malik Taylor scored his first career touchdown on a 1-yard reception late in the second quarter that put the Packers up, 21-0, at halftime. The Texans finally got on the board when Deshaun Watson threw a 3-yard TD pass to David Johnson to cut the lead to 21-7 early in the third quarter, but Green Bay pushed its advantage to 21 again later in the third when Adams got in front of the defense to grab a 45-yard TD reception. It marked the second game for Adams this season with at least 150 yards receiving and two touchdowns, making him just the third player in franchise history to have two such games in one year and the first since Antonio Freeman in 1998. The Texans added a field goal early in the fourth quarter and got another one following a blocked punt that got them within 28-13 with about 10 minutes left, before Green Bay made it 35-13 when Jamaal Williams scored on a 1-yard run with about four minutes to go. Watson threw a 6-yard touchdown pass to Will Fuller with about 90 seconds left before the Texans recovered an onside kick. But Johnson fumbled after a reception on the next play and the Packers ran out the clock.

#### MINNESOTA 28, GREEN BAY 22

Lambeau Field, Sunday, Nov. 1, 2020. Attendance: 0. Time: 3:11. Weather: 34° F, Humidity: 50 percent, Wind: NW 23 mph.

GREEN BAY, Wis. (AP) — Dalvin Cook gained 226 yards from scrimmage and became the first Minnesota Viking in over four decades to score four touchdowns in a single game as Minnesota defeated the Green Bay Packers, 28-22. Cook rushed for 163 yards on 30 carries and had two catches for 63 yards, as his presence gave the Vikings an edge on a day when winds started out at 23 mph and occasionally got stronger, making it difficult to throw downfield. Each of the Vikings' first four possessions ended with Cook touchdowns. He had two 1-yard touchdown bursts plus a touchdown run from 21 yards out. He also caught a third-and-9 pass at the line of scrimmage and turned it into a 50-yard score that put Minnesota ahead, 28-14. Minnesota withstood a three-touchdown performance from Green Bay's Davante Adams, who had seven catches for 55 yards. Green Bay didn't have leading rusher Aaron Jones, who missed a second straight game with a calf injury. The Packers were able to cut the lead to 28-22 when Adams caught a 7-yard touchdown pass and Jamaal Williams ran in a two-point conversion with 2-42 left. Williams was initially ruled down shy of the goal line before replays determined he had scored. Green Bay got the ball bock and reached Minnesota's 41-yard line with 12 seconds and no timeouts left, but rookie D.J. Wonnum sacked Aaron Rodgers and knocked the ball loose. Eric Wilson recovered at the 24 as time expired.

#### **GREEN BAY 34, SAN FRANCISCO 17**

Levi's Stadium, Thursday, Nov. 5, 2020. Attendance: 0. Time: 3:02. Weather: 78° F, Humidity: 83 percent, Wind: N 5 mph.

SANTA CLARA, Calif. (AP) — Aaron Rodgers threw for 305 yards and four touchdowns as the Packers overwhelmed the depleted 49ers, 34-17, in a Thursday night contest. Rodgers connected on deep shots to Davante Adams and Marquez Valdes-Scantling, and a short toss to Marcedes Lewis in the first half to get the Packers (6-2) out to a 21-3 lead over the Niners (4-5). The game looked little like the two meetings between the teams during the 2019 season, as San Francisco was without several prominent players, including quarterback Jimmy Garoppolo and All-Pro tight end George Kittle. The Packers, who were missing three players on the COVID-19 list, took advantage of the opportunity. Rodgers capped the opening drive with a 36-yard shot to Adams, who made an acrobatic catch in the end zone for his league-leading eighth TD reception of the season. Nick Mullens had an apparent TD throw to River Cracraft wiped out on replay for San Francisco and then threw an interception to Raven Greene after backup left tackle Justin Skule got beat for a pressure from Preston Smith. That mistake led to Rodgers' 1-yard throw to Lewis and the Packers took control when Valdes-Scantling got behind the defense for the 52-yard catch late in the first half. Rodgers added a second TD pass to Valdes-Scantling and the rout was on. Adams finished with 10 catches for 173 yards, making him the first Packers player with three 150-yard receiving games since Donald Driver in 2006.

Lambeau Field, Sunday, Nov. 15, 2020. Attendance: 0. Time: 3:15. Weather: 38° F, Humidity: 76 percent, Wind: W 23 mph.

GREEN BAY, Wis. (AP) — Aaron Rodgers threw two touchdown passes and ran for a score, but the Packers needed to make a defensive stand in the final minute to eke out a 24-20 victory over the slumping Jacksonville Jaguars. Rodgers withstood windy conditions and put the Packers (7-2) ahead for good with 9:03 left by throwing a 6-yard TD pass to Davante Adams, who had left with an ankle injury earlier in the second half. Rodgers also had a 5-yard touchdown run and a 78-yard scoring strike to Marquez Valdes-Scantling, who caught four passes for a career-high 149 yards. Green Bay's victory wasn't secure until the final minutes. Jacksonville began its last drive on its own 47-yard line with 2:25 left after a 30-yard punt by JK Scott that followed a third-and-1 stop of Aaron Jones. The Jaguars got as far as Green Bay's 36, but back-to-back sacks by Rashan Gary and Preston Smith pushed them back to their own side of the field before rookie Jake Luton threw incomplete on fourth-and-26 with 1:01 remaining. Luton, who had thrown for 304 yards in his first career start the previous week, was 18 of 35 for 169 yards with a touchdown and an interception. Rodgers was 24 of 34 for 325 yards. Keelan Cole scored on a franchise-record 91-yard punt return and a 12-yard reception for Jacksonville (1-8), which lost its eighth straight. Jacksonville's James Robinson rushed for 109 yards on 23 carries. Green Bay Packers Starters

Lucas Oil Stadium, Sunday, Nov. 22, 2020. Attendance: 12,495. Time: 3:27. Weather: Indoors.

INDIANAPOLIS (AP) — After allowing 28 first-half points, the Colts held Green Bay to three second-half points, forced a key fumble in overtime and set up K Rodrigo Blankenship's decisive 39-yard field goal for a 34-31 win. The Colts certainly lived up to their No. 1 defensive ranking over the final 33 minutes, forcing three fumbles and an interception, holding RB Aaron Jones to 41 yards rushing on 10 carries and limiting Green Bay (7-3) to 18 offensive snaps over the final two-plus quarters. Yet it almost still wasn't enough. Five Colts holding penalties allowed QB Aaron Rodgers to get one more shot in regulation, starting at the 6-yard line with 85 seconds left. On third-and-10, he hit Marquez Valdes-Scantling for 47 yards before Mason Crosby hit a 26-yard field goal to tie the score with three seconds left. But after the Packers won the coin toss and took the ball, rookie S Julian Blackmon split two blockers to strip the ball from Valdes-Scantling. DT DeForest Buckner recovered and Blankenship won it moments later.

#### **GREEN BAY 41, CHICAGO 25**

Lambeau Field, Sunday, Nov. 29, 2020. Attendance: 0. Time: 3:05. Weather: 37° F, Humidity: 59 percent, Wind: NW 13 mph.

GREEN BAY, Wis. (AP) — Aaron Rodgers threw four touchdown passes and the Green Bay Packers (8-3) beat the slumping Chicago Bears (5-6), 41-25, to pad their NFC North lead. In his first start since Week 3, Bears quarterback Mitch Trubisky threw three touchdown passes but also committed three turnovers that led to Packers touchdowns. Darnell Savage picked off a pair of Trubisky passes for his first two interceptions of the season. After Za'Darius Smith sacked Trubisky and forced a fumble, Preston Smith picked up the loose ball and ran 14 yards for a touchdown that gave the Packers a 27-3 lead late in the second quarter. Great Bay led, 41-10, before the Bears scored two fourth-quarter touchdowns. Rodgers capped Green Bay's first series with a 12-yard scoring strike to Davante Adams, who had a touchdown catch for the sixth straight game. Rodgers threw a 5-yard touchdown pass to Marcedes Lewis and a 2-yarder to Allen Lazard later in the first half. Green Bay finally punted for the first time in its opening series of the second half, but Rodgers followed that up with a 39-yard touchdown pass to Robert Tonyan. Rodgers' final touchdown throw of the night enabled him to become the 11th player in NFL history with at least 50,000 career yards passing. Adams' touchdown also was his 500th reception in his 95th career game, making him the fastest Packer to reach that plateau. Lewis' touchdown was his 400th career catch.

#### **GREEN BAY 30, PHILADELPHIA 16**

Lambeau Field, Sunday, Dec. 6, 2020. Attendance: 0. Time: 2:59. Weather: 34° F, Humidity: 64 percent, Wind: SW 9 mph.

GREEN BAY, Wis. (AP) — Aaron Jones rushed for 130 yards and delivered a game-clinching 77-yard touchdown with 2:36 left as the Packers produced seven sacks and withstood a fourth-quarter comeback attempt to defeat Philadelphia, 30-16. Aaron Rodgers and Davante Adams provided many of the highlights early in the game as Green Bay (9-3) built a 23-3 lead before the Eagles (3-8-1) scored two touchdowns in a span of just over a minute. Philadelphia's comeback started after rookie quarterback Jalen Hurts took over for an ineffective Carson Wentz. Rodgers connected with Adams on two of his three touchdown passes to increase his career total to 400, becoming the seventh player in NFL history to join that fraternity. Rodgers got to No. 400 in his 193rd career game, faster than any other player. He has 36 touchdown passes this year and is the first player to throw at least 35 in five separate seasons. Rodgers also did it in 2011 (45), 2012 (39), 2014 (38) and 2016 (40). After catching Rodgers' 400th touchdown pass, Adams made sure the two-time MVP got the ball back. Adams, who caught 10 passes for 121 yards, has scored in seven straight games to tie Hall of Famer Don Hutson's franchise record. Hutson had a pair of seven-game TD-reception streaks in 1941-42 and 1943-44.

DETROIT (AP) — Aaron Rodgers ran for a score and threw three touchdown passes to lift the Packers to a 31-24 win over the Detroit Lions to clinch the NFC North title. Green Bay (10-3) also moved into the top spot in the NFC and repeated as division champion with its win and Minnesota's loss to Tampa Bay. The Lions (5-8) lost Matthew Stafford in the fourth quarter with a rib injury, but their loss was tied to their inability to stop Rodgers, who completed 26 of 33 passes for 290 yards and three TDs with his third straight zero-interception game. He also ran 6 yards untouched for his 30th career rushing TD to break Tobin Rote's team record for a QB. Davante Adams also broke a franchise record by extending his touchdown-reception streak to eight games, turning a short pass from Rodgers into a 56-yard touchdown in the first quarter. Rodgers also threw a 14-yard TD pass to Marquez Valdes-Scantling's back shoulder to put the Packers ahead 14-7 in the opening minute of the second quarter. Robert Tonyan made his ninth TD reception early in the fourth quarter. Green Bay made it a two-score game with 3:30 remaining on Mason Crosby's 57-yard field goal. Chase Daniel replaced Stafford and led a drive that ended with Matt Prater's 32-yard field goal with 1:49 left to pull the Lions within seven points. The Lions' comeback hopes were dashed when the ensuing onside kick didn't go 10 yards and Rodgers completed a pass to convert a third down on his final possession. Detroit Lions Starters

#### **GREEN BAY 40, TENNESSEE 14**

Lambeau Field, Sunday, Dec. 27, 2020. Attendance: 0. Time: 2:46. Weather: 28° F, Humidity: 88 percent, Wind: N 15 mph.

GREN BAY, Wis. (AP) — Aaron Rodgers and Davante Adams created a picturesque atmosphere as they connected for three touchdown passes on a snow-covered Lambeau Field. Rodgers, who went 21 for 25 for 231 yards with an interception, threw four touchdown passes as the Packers trounced the Tennessee Titans, 40-14, for their fifth consecutive victory. This game showcased why the Packers (12-3) wanted to make sure the playoffs go through Lambeau after losing on the road in three of the last six NFC championship games. With snow falling throughout the first half and continuing to cover much of the field the rest of the game, Green Bay moved the ball at will all night. Green Bay ran wild behind 124 yards and two touchdowns from AJ Dillon and 94 yards from Aaron Jones. Dillon, a second-round pick from Boston College, had run for just 115 yards all season during a rookie year in which he spent to wer a month on the COVID-19 reserve list. Adams three touchdown catches gave him 17 this season, one off the Packers' single-season record that Sterling Sharpe set in 1994. Adams, who caught 11 passes for 142 yards, leads the NFL in touchdown receptions despite missing two games with a hamstring injury. The Packers' defense also played well while picking off two passes from Ryan Tannehill, who went 11 of 24 for 121 yards. Tennessee's Derrick Henry rushed for 98 yards on 23 carries, ending his streak of nine consecutive road games in which he'd run for at least 100 yards.

#### **GREEN BAY 35, CHICAGO 16**

Soldier Field, Sunday, Jan. 3, 2020. Attendance: 0. Time: 2:54. Weather: 32° F, Humidity: 85 percent, Wind: W 7 mph.

CHICAGO (AP) — Aaron Rodgers threw for four touchdowns, breaking his franchise record for scoring passes in a season, and Green Bay clinched the No. 1 seed in the NFC by beating the playoff-bound Ohicago Bears, 35-16. The Packers (13-3) earned a bye while winning their sixth in a row and beating Chicago (8-8) for the 19th time in 22 games, counting the postseason. Rodgers joined Peyton Manning (2004 and 2013) as the only players to throw for at least 45 touchdowns in multiple seasons. He finished the season with 48, surpassing his previous high of 45 in his first MVP season of 2011, and just five interceptions. Rodgers completed 19 of 24 passes for 240 yards without getting picked off and had a 147.9 rating. He also improved to 21-5 against Chicago, counting the postseason. Davante Adams broke Sterling Sharpe's team record for receptions in a season and tied his mark for touchdown catches in a year on Sunday. Adams had six receptions to bump his total to 115 and surpass Sharpe's mark of 112 in 1993. His 6-yard score late in the game gave him 18 TDs, matching Sharpe's team record in 1994. Marquez Valdes-Scantling became the first Packer since Jordy Nelson in 2014 with two touchdown catches of 70 or more yards in a season, catching a 72-yarder in the second quarter. Aaron Jones ran for a score in the closing minutes. Mitchell Trubisky went 33 for 42 with 252 yards and an interception. Rookie Darnell Mooney set career highs with 11 catches and 93 yards before leaving early in the fourth period with an ankle injury. David Montgomery ran for 69 yards and a touchdown and caught nine passes for 63 yards. Cairo Santos made all three field goals, extending his streak to a franchise-record 27.

GREEN BAY. Wis. (AP) — Aaron Rodoers threw two touchdown passes and ran for a score as the too-seeded Green Bay Packers beat

GREEN BAY, Wis. (AP) — Aaron Rodgers threw two touchdown passes and ran for a score as the top-seeded Green Bay Packers beat the Los Angeles Rams, 32-18, in an NFC Divisional Playoff game Saturday. Rodgers threw a 1-yard touchdown pass to Davante Adams and a game-clinching 58-yarder to Allen Lazard with 6:52 left, and had a 1-yard touchdown run, the first by a Packers quarterback in a playoff game at Lambeau Field since Bart Starr's winning sneak in the Ice Bowl against Dallas on Dec. 31, 1967. The Packers (14-3) reached the NFC Championship Game for the fourth time in seven seasons as they chase their first Super Bowl berth in a decade. It will be their first NFC title contest at Lambeau Field since hosting for the 2007 season, when they fell to the New York Giants, 23-20, in overtime. Rodgers was on Green Bay's roster during that 2007 season backing up Brett Favre. Saturday's game showed what a home-field edge can mean. The Packers played in front of 8, 456 fans – a crowd that included paying spectators for the first time all season – but that small crowd made plenty of noise as the Packers built an early lead amid snow flurries. The Packers didn't allow any sacks despite playing without injured All-Pro left tackle David Bakhtiari, while Green Bay sacked Jared Goff four times. Aaron Jones ran for 99 yards and a touchdown on just 14 carries, including a Go-yard burst to open the second half. Rodgers called the Packers' offensive linemen "the stor of the game tonight." Goff was 21 of 27 for 174 yards and a touchdown less than three weeks after undergoing thumb surgery, and Cam Akers rushed for 90 yards and a touchdown.

#### **TAMPA BAY 31, GREEN BAY 26**

Lambeau Field, Sunday, Jan. 24, 2021. Attendance: 7,772. Time: 3:14. Weather: 29° F, Humidity: 75 percent, Wind: W 10 mph.

GREEN BAY, Wis. (AP) — Tom Brady will become the first quarterback to play a Super Bowl on his team's home field. He owes the Tampa Bay defense that sacked Aaron Rodgers five times as Brady and the Bucs beat top-seeded Green Bay, 31-26, for the NFC title Sunday. The Bucs (14-5) will face the Kansas City Chiefs (16-2) at Tampa's Raymond James Stadium on Feb. 7. No. a host team in the Super Bowl has never happened in 54 previous games. Brady went 20 of 36 for 286 yards and three touchdowns, but also threw three interceptions as Tampa Bay squandered most of an 18-point lead. Shaquil Barrett and Jason Pierre-Paul combined for five sacks to help the Bucs hang on for their franchise-record eighth consecutive road victory. The Bucs snapped Green Bay's seven-game winning streak. After three straight incompletions had the Packers facing fourth-and-goal from the 8, the Packers elected to kick a field goal to get within five. Tampa Bay then ran out the clock on the Packers (14-4). Rodgers went 33 of 48 for 346 yards with three touchdowns and one interception, but fell to 1-4 in conference championship games as a starting quarterback. The Packers had the NFL's best red-zone offense this season, but they twice settled for field goals after having a first-and-goal Sunday.

# **JOHNNY BLOOD**

Johnny Blood might still be the most colorful player in the history of the National Football League. That might sound like hyperbole, but how many other players have been the inspiration for a Hollywood movie 70 years after retiring? And Leatherheads, released in 2008 and starring George Clooney, might not have done justice to Blood's eccentricities. Born John Victor McNally, he adopted the name Johnny Blood and used it exclusively throughout his 15-year, Hall of Fame playing career, including seven seasons with the Packers.
